

ATTENTION

Effective January 2017, a new Insurance Verification System was launched by the Tennessee Department of Revenue.

Drivers are advised to verify that the Vehicle Identification Number (VIN) on their registration and insurance are the same! Insurance companies will report required policy information to the TN Department of Revenue.

This office CANNOT accept your insurance card as proof of your coverage.

All correspondence must be completed through the TN Department of Revenue.

Please respond to all requests from the TN Department of Revenue to ensure that your registration can be renewed.
