WHEREAS, 9-21-101, et seq., inclusive, Tennessee Code Annotated, as amended, authorizes Hawkins County, Tennessee (the "County"), by resolution of the Board of County Commissioners, to issue and sell bonds to refund and refinance outstanding bonds of the County; and

WHEREAS, the County has previously issued and has outstanding its General Obligation Refunding Bonds, Series 2014, dated December 19, 2014, maturing June 1, 2022 through June 1, 2036; and its General Obligation Refunding Bonds, Series 2015, dated July 20, 2015, maturing June 1, 2022 through June 1, 2036 (the "Outstanding Bonds"); and

WHEREAS, all or a portion of the Outstanding Bonds can now be refunded for the purpose of reducing the debt service requirements of the County; and

WHEREAS, the Board of County Commissioners hereby determines that it is advisable to issue general obligation refunding bonds, in one or more series, for the purpose of refunding all or a portion of the Outstanding Bonds; and

WHEREAS, a plan of refunding for the Outstanding Bonds has been filed with the Director of the Division of the Local Government Finance (the "State Director") as required by Section 9-21-903, Tennessee Code Annotated, as amended, and the State Director has submitted to the County a report thereon, a copy of which has been made available to the members of the Board of County Commissioners; and

WHEREAS, it is the intention of the Board of County Commissioners of the County to adopt this resolution for the purpose of authorizing not to exceed \$18,600,000 in aggregate principal amount of bonds for the above-described purposes, providing for the issuance, sale and payment of said bonds, establishing the terms thereof, and the disposition of proceeds therefrom, and providing for the levy of a tax for the payment of principal thereof, premium, if any, and interest thereon.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Hawkins County, Tennessee, as follows:

Section 1. Authority. The bonds authorized by this resolution are issued pursuant to 9-21-101, et seq., Tennessee Code Annotated, as amended, and other applicable provisions of law.

Section 2. Definitions. In addition to the terms defined in the preamble above, the following terms shall have the following meanings in this resolution unless the text expressly or by necessary implication requires otherwise:

(a) "Bonds" means the not to exceed \$18,600,000 General Obligation Refunding Bonds of the County, to be dated their date of issuance, and having such series designation or such other dated date as shall be determined by the County Mayor pursuant to Section 8 hereof.

(b) "Book-Entry Form" or "Book-Entry System" means a form or system, as applicable, under which physical bond certificates in fully registered form are issued to a Depository, or to its nominee as Registered Owner, with the certificate of bonds being held by and "immobilized" in the custody of such Depository, and under which records maintained by persons, other than the County or the Registration Agent, constitute the written record that identifies, and records the transfer of, the beneficial "book-entry" interests in those bonds.

(c) "Code" means the Internal Revenue Code of 1986, as amended, and all regulations promulgated thereunder.

(d) "County Mayor" shall mean the County Mayor of the County.

(e) "Depository" means any securities depository that is a clearing agency under federal laws operating and maintaining, with its participants or otherwise, a Book-Entry System, including, but not limited to, DTC.

(f) "DTC" means the Depository Trust Company, a limited purpose company organized under the laws of the State of New York, and its successors and assigns.

(g) "DTC Participant(s)" means securities brokers and dealers, banks, trust companies and clearing corporations that have access to the DTC System.

(h) "Governing Body" means the Board of County Commissioners.

(i) "Municipal Advisor" for the Bonds authorized herein means Cumberland Securities Company, Inc., Knoxville, Tennessee.

(j) "Refunded Bonds" means the maturities or portions of the maturities of the Outstanding Bonds designated for refunding by the County Mayor pursuant to the terms hereof.

(k) "Registration Agent" means the registration and paying agent appointed by the County Mayor pursuant to the terms hereof, or any successor designated by the Governing Body.

Section 3. Findings of the Governing Body; Compliance with Debt Management Policy.

(a) In conformance with the directive of the State Funding Board of the State of Tennessee, the County has heretofore adopted its Debt Management Policy. The Governing Body hereby finds that the issuance and sale of the Bonds, as proposed herein, is consistent with the County's Debt Management Policy.

(b) The estimated interest expense and costs of issuance of the Bonds have been made available to the Governing Body.

(c) The refunding of the Refunded Bonds authorized herein through the issuance of the Bonds will result in the reduction of the debt service payable by the County over the term of the Refunded Bonds, thereby effecting a cost savings to the public.

(d) The refunding report of the State Director (the "Refunding Report") has been presented to the members of the Governing Body in connection with their consideration of this resolution and is attached hereto as Exhibit A.

Section 4. Authorization and Terms of the Bonds.

(a) For the purpose of providing funds to finance, in whole or in part, the refunding of the Refunded Bonds; and payment of costs incident to the issuance and sale of the Bonds, there is hereby authorized to be issued bonds, in one or more series, of the County in the aggregate principal amount of not to exceed \$18,600,000. The Bonds shall be issued in one or more series, in fully registered, book-entry form (except as otherwise set forth herein), without coupons, and subject to the adjustments permitted hereunder, shall be known as "General Obligation Refunding Bonds", shall be dated their date of issuance, and shall have such series designation or such other dated date as shall be determined by the County Mayor pursuant to the terms hereof. The Bonds shall bear interest at a rate or rates not to exceed five percent per annum (5.00%), or any series thereof, payable (subject to the adjustments permitted hereunder) semi-annually on June 1 and December 1 in each year, commencing December 1, 2021. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser thereof. Subject to the adjustments permitted pursuant to the terms hereof, the Bonds shall mature serially or be subject to mandatory redemption and shall be payable on June 1 of each year, subject to prior optional redemption as hereinafter provided, in the years 2022 through 2036, with the principal amounts of each Series of the Bonds coming due in any year being established by the County Mayor pursuant to Section 8 hereof.

(b) Subject to the adjustments permitted under Section 8 hereof, the Bonds maturing on June 1, 2031 and thereafter shall be subject to redemption prior to maturity at the option of the County on June 1, 2030 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to the terms hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds ("Term Bonds") with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as Term Bonds, the County shall redeem Term Bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts established pursuant to the terms hereof for each redemption date, as such maturity amounts may be adjusted pursuant to the terms hereof, at a price of par plus accrued interest thereon to the date of redemption.

If less than all of the Term Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of any call for redemption shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly

provided as set forth herein. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

(d) The Governing Body hereby authorizes and directs the County Mayor to appoint the Registration Agent for the Bonds and hereby authorizes the Registration Agent so appointed or the Registration Agent for the Bonds to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds cancelled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(e) The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(f) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when

deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered Owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

(g) The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment contained therein completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

(h) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the signature of the County Mayor and the attestation of the County Clerk.

(i) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or

through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO. AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds, or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, then the County shall discontinue the Book-Entry System with DTC or, upon request of such original purchaser, deliver the Bonds to the original purchaser in the form of fully-registered Bonds, as the case may be. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. If the purchaser(s) certifies that it intends to hold the Bonds for its own account, then the County may issue certificated Bonds without the utilization of DTC and the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS; (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ITS NOMINEE, CEDE & CO., AS OWNER.

(j) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight

delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds; provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section.

(k) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

(l) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be able to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnify satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.

Section 5. Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

Section 6. Form of Bonds. The Bonds shall be in substantially the following form, the omissions to be appropriate completed when the Bonds are prepared and delivered:

FOR VALUE RECEIVED, Hawkins County, Tennessee (the "County") hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter

provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on June 1, 2021, and semi-annually thereafter on the first day of June and December in each year until this Bond matures or is redeemed. The principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the principal corporate trust office of _____, _____, as registration agent and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of and premium, if any, on this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy or any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any

amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

Bonds of the issue of which this Bond is one maturing on June 1, 2031 and thereafter shall be subject to redemption prior to maturity at the option of the County on June 1, 2030 and thereafter, as a whole or in part at any time, at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of any call for redemption shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and it notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the [Depository or the] affected Bondholders that the redemption did not occur and that the Bond called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special

Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County to finance (i) the refunding of the County's outstanding General Obligation Refunding Bonds, Series 2014, dated December 19, 2014, maturing June 1, 2022 and thereafter and its General Obligation Refunding Bonds, Series 2015, dated July 20, 2015, maturing June 1, 2022 and thereafter; and (ii) the issuance costs of the Bonds, pursuant to 9-21-101, et seq., Tennessee Code Annotated, as amended, and pursuant to a resolution adopted by the Board of County Commissioners of the County on March 22, 2021 (the "Resolution").

The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

Section 8. Sale of Bonds.

(a) The Bonds shall be sold, in the discretion of the County Mayor, at competitive public sale, in one or more series, as required by law at a price of not less than ninety-eighty percent (98.0%) of par, and accrued interest, if any, as a whole or in part, from time to time, as shall be determined by the County Mayor. The sale of the Bonds by the County Mayor shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.

(b) If the Bonds are sold in more than one series, the County Mayor is authorized to cause to be sold in each series an aggregate principal amount of Bonds less than that shown in Section 4 hereof for each series, so long as the total aggregate principal amount of all series issued does not exceed the total aggregate of Bonds authorized to be issued herein.

(c) The County Mayor is further authorized with respect to each series of Bonds to:

(1) change the dated date of the Bonds, or any series thereof, to a date other than the date of issuance of the Bonds;

(2) change the designation of the Bonds, or any series thereof, to a designation other than "General Obligation Refunding Bonds" and to specify the series designation of the Bonds, or any series thereof;

(4) establish and adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any series thereof, provided that (A) the total principal amount of all series of the Bonds does not exceed the total amount of Bonds authorized herein; (B) the final maturity date of each series shall not exceed the final maturity described in Section 4 hereof; and (C) the debt service schedule for each series of the Bonds shall not be materially different than what was presented to the State Director in connection with the Refunding Report.

(5) adjust or remove the County's optional redemption provisions of the Bonds, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;

(6) refund less than all of the Outstanding Bonds;

(7) sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and

(8) cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof;

The form of the Bond set forth in Section 6 hereof shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(d) The County Mayor is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as the County Mayor shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation Refunding Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

(e) The County Mayor is authorized to award the Bonds, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate prescribed by Section 4 hereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.

(f) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds. The County Mayor is hereby authorized to enter into a contract with the Municipal Advisor, for municipal advisory services in connection with the sale of the Bonds and to enter into an engagement letter with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds, and all actions heretofore taken by the officers of the County in that regard are hereby ratified and approved.

Section 9. Disposition of Bond Proceeds. The proceeds of the sale of the Bonds shall be disbursed as follows:

(a) An amount sufficient, together with such other County funds as may be identified by the County Mayor and, if applicable, investment earnings on the foregoing, to refund the Refunded Bonds shall be applied to the refunding thereof by depositing such funds with an escrow agent designated by the County Mayor, which agent would hold and invest such funds under an escrow agreement until the Refunded Bonds can be redeemed, and/or paying such funds directly to the holders (or paying agents or trustees for the holders) of the Refunded Bonds. The County Mayor and County Clerk are authorized to enter into an escrow agreement in order to accomplish the purposes of this paragraph.

(b) The remainder of the proceeds of the sale of the Bonds shall be used to pay costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Bonds. Notwithstanding the foregoing, costs of issuance of the Bonds may be withheld from the good faith deposit or purchase price of the Bonds and paid to the Municipal Advisor to be used to pay costs of issuance of the Bonds.

Section 10. Official Statement. The officers of the County, or any of them, are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement

describing the Bonds. After bids have been received and the Bonds have been awarded, the officers of the County, or any of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The officers of the County, or any of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven (7) business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The officers of the County, or any of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any series thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any series thereof, for its own account and has no present intention to reoffer the Bonds, or any series thereof.

Section 11. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any series of the Bonds in any one or more of the following ways:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent"; which agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Defeasance Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice); or

(c) By delivering such Bonds to the Registration Agent for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Defeasance Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Defeasance Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, "Defeasance Obligations" shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or obligations of any agency or instrumentality of the United States, which obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 12. Federal Tax Matters Related to the Bonds.

(a) The Bonds are expected to be issued as federally tax-exempt bonds. If so issued, the County hereby covenants that it will not use, or permit the use of, any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond." To that end, the County shall comply with applicable regulations adopted under said Section 148. The County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.

(b) The Governing Body hereby delegates to the County Mayor the authority to designate, and determine whether to designate, any series of the Bonds as "qualified tax-exempt obligations," as defined in Section 265 of the Code, to the extent such series of the Bonds is not deemed designated as such and may be designated as such.

(c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds.

Section 13. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the closing of the sale of the Bonds an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and event notices to be provided and its obligations relating thereto. The County Mayor is authorized to adopt administrative policies to facilitate compliance by the County with continuing disclosure requirements of Rule 15c2-12. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement shall

not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 14. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.

Section 15. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 16. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Duly adopted and approved on March 22, 2021.
