A Contract Between the

FIRST TENNESSEE DEVELOPMENT DISTRICT

AND

HAWKINS COUNTY

PROVIDING FOR LOCAL PLANNING ADVISORY SERVICES

This **CONTRACT**, entered into as of the first day of July, 2011 by the First Tennessee Development District (FTDD), an agency composed of member governments in Northeast Tennessee, and Hawkins County, Tennessee.

I. FINDINGS & DECLARATIONS

A. Tennessee Code Annotated, §13-14-101 and the following sections establish a delineation of regions deemed viable to the economic development of the state, and allow creation of development districts for these regions, encompassing one (1) or more counties or parts of counties, so they are conducive to efficient planning and orderly economic development of the state.

B. FTDD is empowered, among other duties, “to receive and expend funds from any sources for staffing, for research, planning, coordination, economic development, demonstration projects and other activities deemed necessary to promote the efficient, harmonious and economic development of the region.”

C. Hawkins County, referred to as the chief legislative body, requests the FTDD to provide planning advisory services, and agrees to appropriate the necessary funds for these services.

II. CONTRACT

In consideration of these findings and declarations and other valuable considerations, the parties agree as follows:

- A. During the twelve (12) month period beginning July 1, 2011, and ending June 30, 2012, the FTDD agrees to furnish the services of professionally trained planning advisors who will confer with the local planning commission, board of zoning appeals and other local officials with respect to all phases of the comprehensive planning program. Planning recommendations are advisory only; local communities and their appropriate representatives have the sole authority to enact and enforce ordinances and other regulatory tools. A work program derived from the elements listed below will be developed jointly between the FTDD and contracting community within 30 days of the signing of the planning contract by both parties. Other activities may be included depending on the scope and nature of the desired services and FTDD capacity. All activities must be agreed upon mutually by the community and FTDD. Planning services may include but are not limited to the following activities:
1. Attendance at planning commission and/or boards of zoning appeals meetings; assistance in the preparation or review of the long range work program of the planning commission; preparation of comprehensive plans, Public Chapter 1101 Growth Management Plans and amendments, and other planning studies and documents.
 2. Preparation of land use controls for adoption, implementation, and enforcement by local community officials, including but not limited to zoning ordinances, subdivision regulations, flood plain management regulations, or other land use controls; review of development proposals; advice and assistance to administrators of zoning, subdivision regulations, and other land use controls.
 3. Access to the resources of a regional office including drafting, mapping, and geographic information systems support; planning related research.
 4. Specialty training for planning commissions, boards of zoning appeal and local administrators; assistance in providing information on planning activities and interpreting planning programs and activities to the public through meetings and conferences, news releases and presentations before various groups.
 5. Advice and assistance on all matters relating to state, federal, and regional programs that affect planning and implementation for the locality.
- B. Payment for services provided by FTDD to Hawkins County based on the agreed-upon activities requested in Section II.A. of this Contract, and the Fee Schedule attached to this contract as Attachment 1 plus any funds made available by the State of Tennessee specifically for planning services. For the purpose of providing funds necessary to carry out the provisions of this contract, **IT IS AGREED** that the chief legislative body will pay to the FTDD the sum of **\$12,250** annually, plus any funds made available by the State of Tennessee specifically for the purpose of planning, payable in total upon the effective date of this contract, or in bi-annual installments of **\$6,125**, due and payable on

the first day of the first and third quarters of each fiscal year. The contracting community hereby authorizes the FTDD to apply on the community's behalf for any eligible funds from State sources to supplement the planning contract amount.

- C. Either party may terminate this contract by giving written notice to the other party specifying the date of termination, at least ninety (90) days before the termination date. Upon termination of the contract, the obligation of the FTDD to conduct and carry on the program agreed to under this Contract shall cease, the financial obligation of the chief legislative body as described in this Contract above likewise ceases. If prepayment has been made by the chief legislative body, the FTDD will determine, by prorating, the amount to be refunded.
- D. This contract is for a period of twelve months. A new contract and fee schedule will be presented for FY2013. Local governments are under no obligation to continue FTDD planning services beyond the dates specified in this contract.
- E. In all matters relating to the performance of this contract, the FTDD Executive Director acts for the FTDD, and the Mayor acts for Hawkins County, Tennessee.

The director of schools must receive approval of the Board of Education for transfers within each major category of the budget and approval of both the Board of Education and the Board of County Commissioners for transfers between major categories as required by law.

One copy of each amendment shall be filed with the County Clerk, one copy with the Chairman of the Budget Committee, and one copy with each divisional or departmental head concerned. The reason (s) for each transfer shall be clearly stated; however, this section shall in no case whatsoever be construed as authorizing transfers from one fund to another, but shall apply solely to transfers within a certain fund.

SECTION 5. BE IT FURTHER RESOLVED, that any appropriations made by this resolution which cover the same purpose for which a specific appropriation is made by statute, is made in lieu of but not in addition to said statutory appropriation. The salary, wages, or remuneration of each officer, employee, or agent of the County shall not be in excess of the amounts authorized by existing law or as set forth in the estimate of expenditures which accompanies this resolution. Provided, however, that appropriations for such salaries, wages, or other remuneration hereby authorized shall in no case be construed as permitting expenditures for an office, agency, institution, division or department of the County in excess of the appropriation made herein for such office, agency, institution, division or department of the County. Such appropriation shall constitute the limit to the expenditures of any office, agency, institution, division or department for the year ending June 30, 2012. The aggregate expenditures for any item of appropriation shall in no instance be more than the amount herein appropriated for such item.

SECTION 6. BE IT FURTHER RESOLVED, that any resolution which may hereafter be presented to the Board of County Commissioners providing for appropriations in addition to those made by this Budget Appropriation Resolution shall specifically provide sufficient revenue or other funds, actually to be provided during the year in which the expenditure is to be made, to meet such additional appropriation. Said appropriating resolution shall be submitted to and approved by the State Director of Local Finance after its adoption as provided by Section 9-21-403, Tennessee Code Annotated.

SECTION 7. BE IT FURTHER RESOLVED, that the budget for the School Federal Projects Fund shall be the line-item budget approved for separate projects within the fund by the Hawkins County Board of Education and the Hawkins County Board of Commissioners.

SECTION 8. BE IT FURTHER RESOLVED, that the County Mayor and County Clerk are hereby authorized to borrow money on revenue anticipation notes, provided such notes are first approved by the Director of Local Finance, to pay for the expenses herein authorized until the taxes and other revenue for the year 2011 – 2012 have been collected. The proceeds of loans for each individual fund shall not exceed 60% of the appropriations of each individual fund and shall be used only to pay the expenses and other requirements of the fund for which the loan is made. The loan shall be paid out of revenue from the fund for which money is borrowed. The notes evidencing the loans authorized under this section shall be issued under the applicable sections of Title 9, Chapter 21, Tennessee Code Annotated. Said notes shall be signed by the County Mayor and countersigned by the County Clerk and shall mature and be paid in full without renewal not later than June 30, 2012.

SECTION 9. BE IT FURTHER RESOLVED, that the delinquent County property taxes for the year 2010 and prior years and the interest and penalty thereon collected during the year ending June 30, 2012 shall be apportioned to the various County funds according to the subdivision of the tax levy for the year 2010. The Clerk & Master and the Trustee are hereby authorized and directed to make such apportionment accordingly.

SECTION 10. BE IT FURTHER RESOLVED, that in order to comply with Governmental Accounting Standards Board Statement 54 as issued by the Governmental Accounting Standards Board (GASB), and that the State of Tennessee Comptroller's Office has determined that this new accounting statement is considered Generally Accepted Accounting Principles (GAAP) applicable to county governments, Hawkins County has designated Local Option Sales Tax, Business Tax, TV Cable Franchise License and Alcohol Beverage Tax revenues to fund the operations of the Solid Waste/Sanitation Fund. Prior to GASB Statement 54, the Solid Waste/Sanitation Fund was funded through operating transfers from the General Fund.

SECTION 11. BE IT FURTHER RESOLVED, that in order to comply with IRS regulations for a "bona fide debt service fund" regarding the 2010 Qualified School Construction Bond issue as advised by the bond counsel for the Tennessee State School Bond Authority, the subsidy that Hawkins County receives semi-annually from the IRS on such bond issue shall be deposited into the Hawkins County General Fund. Transfers equal to each month's interest payment will be made from the General Fund to the Education Debt Service fund only at such time as, or near, the interest payment due date.

SECTION 12. BE IT FURTHER RESOLVED, that, beginning with the 2011-2012 Fiscal Year and for subsequent years unless changed by County Commission, the 1989 Gasoline Tax will no longer be transferred from the Highway Fund to the Special (Highway) Debt Service Fund to help retire outstanding debt. The portion of the Wheel Tax collections are sufficient at this time to retire current outstanding debt.

SECTION 13. BE IT FURTHER RESOLVED, that all unencumbered balances of appropriations remaining at the end of the year shall lapse, and be of no further effect at the end of the year at June 30, 2012, including any remaining contribution funding for area agencies and organizations that has not been requested by letter or invoice to the County Mayor's Office.

SECTION 14. BE IT FURTHER RESOLVED, that any resolution or part of a resolution which has heretofore been passed by the Board of County Commissioners which is in conflict with any provision in this resolution be and the same is hereby repealed.

SECTION 15. BE IT FURTHER RESOLVED, that this resolution shall take effect from and after its passage and its provisions shall be in force from and after July 1, 2011. This resolution shall be spread upon the minutes of the Board of County Commissioners.

Passed this 29th day of August, 2011.
