HAWKINS COUNTY LITTER PROGRAM
FY 2013-14
ROADSIDE LITTER PICKUP WORK PLAN

Hawkins County proposes to use citizens that have been sentenced to community service via General Sessions Court System, as well as prisoners, from time to time, out of the jail/workhouse, to collect litter and trash along county and state roadways within Hawkins County's boundary. They will be transported to and from work in a bus. The prisoners used have not committed a felony crime. The driver of the bus will also guard the prisoners as they pick up trash. Trash bags will be collected from roadway onto a flatbed truck.

It is proposed that litter and trash collected will take place at least 3 days a week and more if clients report for community service duty. Hawkins County will be using an area rotation system. The rotation will keep an excessive build-up of litter in any area of the county and will prevent the possibility of transporting prisoners to an already cleaned area where there would be too much unproductive time and ineffective use of labor. The days that the weather will not permit litter pick up, the community service clients will work at the recycle center sorting and baling recyclables for resell.

Any illegal dumps along roadsides will be cleaned up. All litter that can be recycled will be transported to the recycle center.

All litter workers, drivers or prisoners will be supplied with adequate safety colored vests and will be required to wear these at all times while working on or near a roadway. Work gloves, litter bags, and litter grabbers will be used for the purpose of litter collection. Drinking water will be available for litter workers as well as having a first-aid kit on hand for accidents. Lunches will be provided to all prisoners who participate in the litter collection of the Litter Grant Program.

Specific roads covered for litter collection, pounds of litter collected and other pertinent information will be reported and submitted in the required monthly report to TDOT.

HAWKINS COUNTY LITTER PROGRAM
FY 2013-14
EDUCATION PROGRAM WORK PLAN

Hawkins County will target for this year's litter education the following areas:

Business Education- Litter and Recycle educate will be taught at Civic organization group meetings to promote litter reduction and recycling in Hawkins County via the business community. Someone from the litter program will encourage business and industries to reduce, reuse and recycle. More civic organizations will be encouraged to participate in litter pick-ups. We have at least sixteen organizations that have "Adopted A Highway" programs at this time.

Media Education - We will educate through the media problems concerning litter on the highways and county roads. Radio and newspaper advertising will be used to promote these problems. Also the public will be educated to make Hawkins County a litter free community by putting trash in its place and recycle when possible.

Public Education - We will encourage and work with community groups in scheduling litter pick-up days. We will share with the community the importance of litter control and how it affects the appearance of the county and what a difference recycling makes in the community. Hawkins County will encourage the citizens to make any public event a litter free event by putting all litter in trash receptacle and recycling bottles and drink cans at public events. There are brochures available at different locations in the county on recycling, reducing, litter, etc. for the public education. Events that are annual events are Fourth of July, Heritage Days, cars shows (monthly) as well as annual celebration days held in some of the cities in Hawkins County that are pertinent to the city.

Student Education - Litter free sports events at the high schools are being implemented this year and middle schools will be added in the following year. Students in the Pre-K-second grades will be taught "The Day Litter Comes Out and Plays" and third and fourth grades will be educated about what littering does to the environment and the importance of recycle. Students as well as the teachers at all schools will be encouraged to recycle anything that is recyclable.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Hawkins County, Tennessee, as follows:

SECTION 1. In order to provide financing (i) to pay costs of the Project), (ii) to pay legal, fiscal, administrative, architectural and engineering costs of the Project, and (iii) to pay costs incident to the issuance and sale of its general obligation bonds to be issued for such purposes, the Issuer shall borrow the amount of not to exceed \$2,650,000 and issue General

Obligations Bonds, Series 2013, pursuant to Sections 9-21-101 et seq. of the Tennessee Code Annotated, as amended, and other applicable provisions of law.

SECTION 3. Findings of the Governing Body. It is hereby found and determined by the Governing Body as follows:

(a) The financing of the Project is necessary and in the best interests of the citizens of the Issuer;

(b) The proposed bond sale being authorized by this resolution is feasible and in the best interests of the Issuer; and

(c) The issuance of the Bonds will be in compliance with the Issuer's Debt Management Policy.

SECTION 4. The Mayor is hereby authorized and directed to determine the principal amount of the Bonds not to exceed the principal amount specified in Section 1 to be actually issued (which may be in one or more emissions) and to effect adjustments in the maturity schedule and optional redemption dates set forth herein as authorized in Section 7. The determinations made by the Mayor, as described above, and the finalization of the details of the Bonds and sale of the Bonds by the Mayor shall be binding on the Issuer and no further action by the Governing Body with respect thereto shall be required. The Mayor shall cause, if advantageous to the Issuer, all or a portion of the Bonds to be insured by one or more bond insurance policies issued by one or more nationally recognized bond insurance companies so long as it is demonstrated to the Mayor's satisfaction either (i) that such insurance is necessary to sell the Bonds, or the portion thereof to be insured, or (ii) the present value of the projected savings in interest costs to the Issuer as a result of obtaining such bond insurance exceeds the premium cost to the Issuer for such bond insurance.

The Mayor is authorized to sell the Bonds at a public sale at a price of not less than 98.0% of the par value of the Bonds actually issued, plus accrued interest.

The Mayor is hereby authorized and directed to publish a Notice of Sale for the Bonds and, if appropriate, for any other bonds of the Issuer which are being competitively sold at the same time, in either a financial newspaper having national circulation, or via an electronic communication system that is generally available to the financial community, and the date of publication shall be selected by the Mayor as he may deem appropriate for the purpose of conducting the sale of the Bonds at public sale at the earliest possible date after complying with the requirements of Tennessee Code Annotated, Section 9-21-203 that the Bonds must be advertised for sale for not less than 5 days prior to the sale of the Bonds. If the principal amount of bonds to be sold is not greater than \$5,000,000, then the notice of sale may be published as set forth above or in a newspaper having general circulation in the Issuer. The Notice of Sale shall be in such form, meeting the requirements of Tennessee Code Annotated Section 9-21-202, as shall be approved by the Mayor and the Financial Advisor. The Bonds shall be sold by physical delivery of bids or by electronic bidding means of an internet bidding service as shall be determined by the Mayor, in consultation with the Financial Advisor. The Mayor is hereby authorized to enter into a contract for financial advisory services with the Financial Advisor in connection with the sale of the Bonds, and an engagement letter with bond counsel.

SECTION 5. The Mayor and County Clerk, working with the Financial Advisor, are hereby authorized and directed to provide for the preparation and distribution, electronic or otherwise, of a Preliminary Official Statement describing the Bonds and any other bonds or notes which in the discretion of the Mayor are sold at the same time as the Bonds. After the Bonds have been sold, the Mayor and the County Clerk shall make such completions,

omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The Mayor and County Clerk shall arrange for the delivery of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been sold to the successful bidder, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of its bidding group initially sell the Bonds.

The Mayor is authorized, on behalf of the Issuer, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the Issuer except for the omission in the Preliminary Official Statement of such pricing and other information.

SECTION 6. Subject to the adjustments permitted pursuant to Section 7, the Bonds shall be designated "General Obligation Bonds, Series 2013," shall be dated as of their date of issuance, shall be numbered from R-1 upward, shall be issued in fully registered, book-entry only form, without coupons in the denomination of \$5,000 (or integral multiples thereof), and shall be subject to prior redemption as set forth below. Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. Until exchanged

for definitive Bonds, the temporary Bonds shall be entitled to the same benefits as definitive Bonds authenticated and delivered hereunder.

SECTION 7. The Bonds shall bear interest, not exceeding 5.50%, as designated by the Mayor, payable semiannually on June 1 and December 1 of each year commencing December 1, 2013, shall mature June 1, in the years and in the amounts as determined by the Mayor.

The Mayor is authorized to determine the amount of each maturity, to change the dated date of the Bonds to a date other than their date of issuance, to sell the Bonds in one or more emissions, to change the Series designation of the Bonds, to determine the principal and interest payment dates of the Bonds, to determine the maturity dates of the Bonds, to determine the optional redemption dates and provide for a premium not to exceed two percent (2%) of the par amount to be redeemed, to combine the issuance of the Bonds with the issuance of bonds pursuant to other authorizing resolutions of the Issuer and to make appropriate changes in the name of the Bonds and other adjustments to recognize such combined issuance, such adjustments to be made as the Mayor in his sole discretion shall deem most advantageous to the Issuer, provided that the aggregate amount of Bonds issued pursuant to this resolution shall not exceed the principal amount set forth in Section 1. The Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements as determined by the Mayor. In the event any or all the Bonds are sold as term bonds, the Issuer shall redeem term bonds on redemption dates corresponding to the maturity dates determined by the Mayor, in aggregate principal amounts equal to the maturity amounts determined by the Mayor for each redemption date, at a price of par plus accrued interest thereon to the date of redemption. The

term bonds to be redeemed within a single maturity shall be selected in the manner described in Section 8.

SECTION 8. Subject to the adjustments permitted pursuant to Section 7 hereof, the Bonds maturing June 1, 2014 through June 1, 2021 shall mature without option of prior redemption. Bonds maturing on June 1, 2022 shall be subject to redemption on June 1, 2021 and at any time thereafter at a redemption price of par plus interest accrued to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the Bonds within the maturity to be redeemed shall be selected as follows:

(a) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(b) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Bond Registrar by lot or such other random manner as the Bond Registrar in its discretion shall determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the Issuer may (i) deliver to the Bond Registrar for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii)

receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Bond Registrar and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Bond Registrar at 100% of the principal amount thereof on the obligation of the Issuer on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Issuer shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Bond Registrar with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this paragraph are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of call for redemption, whether optional or mandatory, shall be given by the Bond Registrar on behalf of the Issuer not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Bond Registrar as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices

shall be mailed by the Bond Registrar to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the Issuer nor the Bond Registrar shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Bond Registrar shall mail said notices as and when directed by the Issuer pursuant to written instructions from an authorized representative of the Issuer (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Bond Registrar). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Bond Registrar for the payment thereof and if notice has been duly provided as set forth herein.

SECTION 9. The Issuer hereby appoints Regions Bank, Nashville, Tennessee as the initial paying agent and bond registrar (the "Bond Registrar") with respect to the Bonds and authorizes and directs the Bond Registrar to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, and to make all payments of principal and interest with respect to the Bonds as provided herein, and to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange, transfer or cancellation and to furnish the Issuer with a certificate of destruction. The Bond Registrar shall maintain registration books for the registration and registration of transfer of the Bonds, which books shall be kept in a manner that complies with the requirements of Section 149 of the

Internal Revenue Code of 1986, as amended, and Regulations thereunder (or under corresponding provisions of prior law, if applicable) for recordkeeping relating to "registration-required bonds" and in accordance with the Tennessee Public Obligations Registration Act (T.C.A. §9-19-101 et seq., as amended).

SECTION 10. The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at designated corporate trust office of the Bond Registrar. The Bond Registrar shall make all interest payments with respect to the Bonds on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Bond Registrar as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing such payment in the United States mail, postage prepaid, addressed to such owners at such owners' addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Bond Registrar as the same shall become due and payable. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Bond Registrar and written notice of any such election and designated account is given to the Bond Registrar prior to the record date.

The Bonds are transferable only by presentation to the Bond Registrar by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof (or attached thereto) completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Bond Registrar shall issue a new Bond or Bonds to the assignee(s) in such authorized denominations, as requested by the registered owner requesting transfer. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary, including, but not limited to, any previous transfer request not accompanied by acceptable documentation.

The Bonds shall be signed by the Mayor with his manual or facsimile signature, shall be attested by the County Clerk by his or her manual or facsimile signature, and shall have imprinted or impressed thereon the official seal of the Issuer (or a facsimile thereof).

The Bond Registrar is hereby authorized to authenticate and deliver the Bonds from time to time to the original purchasers thereof or as it or they may designate upon receipt by the Issuer of the proceeds of the sale thereof, together with any necessary documentation, and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper

documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Bond Registrar by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the Issuer, in its discretion, shall issue, and the Bond Registrar shall authenticate and deliver a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the Issuer may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the Issuer and the Bond Registrar of the destruction, theft or loss of such Bond, and indemnity satisfactory to the Issuer and the Bond Registrar, and the Issuer may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the Issuer for the expense incurred by it in the issue thereof.

Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the Issuer to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the Issuer shall notify the Bond Registrar in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Issuer shall deposit with the

Bond Registrar an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Bond Registrar for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Bond Registrar of the notice of the proposed payment, the Bond Registrar shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Bond Registrar shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Bond Registrar as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the Issuer to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the Issuer to call such Bond

for redemption; provided, the Bond Registrar, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Bond Registrar, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC and the Bonds shall be immobilized in its custody or a custodian of DTC. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive

the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE BOND REGISTRAR SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE BOND REGISTRAR TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Bond Registrar directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the Issuer and the Bond Registrar to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The Issuer and the Bond Registrar shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Issuer determines that the continuation of the Book-Entry System of

evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, or (3) the Beneficial Owners of all Bonds shall request that such Bonds no longer be held under The Book-Entry System and shall agree to hold the Bonds for investment and not to reoffer the Bonds, the Issuer shall discontinue the Book-Entry System with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer shall cause the Bond Registrar to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

THE ISSUER AND THE BOND REGISTRAR SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

The Bond Registrar is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited

to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Bond Registrar) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Bond Registrar shall not be liable with respect to any such arrangements it may make pursuant to this section.

Registered Owner: CEDE & CO.

Principal Amount:

KNOW ALL MEN BY THESE PRESENTS: That the County of Hawkins in the State of Tennessee (the "Issuer"), for value received hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on December 1, 2013, and semi-annually thereafter on the first day of June and December in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the corporate trust office of Regions Bank, Nashville, Tennessee, as bond registrar and paying agent (the "Bond Registrar"). The Bond Registrar shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Bond Registrar as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the Issuer to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record

Date") for payment of such defaulted interest to be fixed by the Bond Registrar, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any,] on this Bond shall be made when due upon presentation and surrender of this Bond to the Bond Registrar.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC and the Bonds shall be immobilized in its custody or a custodian of DTC. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the Issuer and the Bond Registrar shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC

Participants to the Beneficial Owners, as defined in the Resolution. Neither the Issuer nor the Bond Registrar shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Issuer determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the Issuer may discontinue the book-entry system with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer shall cause the Bond Registrar to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the Issuer nor the Bond Registrar shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

Bonds of the issue of which this Bond is one maturing June 1, 2014 through June 1, 2021 shall mature without option of prior redemption. Bonds of the issue of which this Bond is one maturing on June 1, 2022 shall be subject to redemption at the option of the Issuer, in whole

or in part on June 1, 2021 and at any time thereafter at a price of par plus interest accrued to the redemption date.

If Term Bonds are issued, the following provisions shall be included:

[The Issuer shall redeem Bonds maturing June 1, _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Bond Registrar by lot or such other random manner as the Bond Registrar in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Stated</u> <u>Maturity</u>	<u>Redemption</u> <u>Date</u>	<u>Principal Amount</u> <u>of Bonds</u> <u>Redeemed</u>
----------------------------------	----------------------------------	---

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the Issuer may (i) deliver to the Bond Registrar for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the

maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Bond Registrar and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Bond Registrar at 100% of the principal amount thereof on the obligation of the Issuer on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Issuer shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Bond Registrar with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption shall be given by the Bond Registrar not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Bond Registrar as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Bond Registrar to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above

provided, and neither the Issuer nor the Bond Registrar shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Bond Registrar for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined.

This Bond is transferable by the registered owner hereof in person or by such owner's legal representative duly authorized in writing at the designated corporate trust office of the Bond Registrar set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Bond Registrar shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption

has been made, nor during a period following the receipt of instructions from the Issuer to call such Bond for redemption.

This Bond is one of a series of Bonds, all of like tenor and effect, except as to date, number, rate of interest and principal amount, in an aggregate principal amount of \$2,650,000 issued for the purpose of providing funds (i) to make certain capital expenditures in connection with public works projects as described in Section 9-21-105 of the Tennessee Code Annotated, as amended, including but not limited to, the construction, improvement, paving and/or repaving of roads, streets, bridges, sidewalks and other infrastructure, and the purchasing of equipment for the highway department of the Issuer (the "Project"), (ii) to pay legal, fiscal, administrative, architectural and engineering costs of the Project, and (iii) to pay costs incident to the issuance and sale of its general obligation bonds to be issued for such purposes. This Bond is issued under and pursuant to and in full compliance with the Constitution and statutes of the State of Tennessee, including Tennessee Code Annotated Section 9-21-101 et seq., pursuant to a resolution (the "Resolution") duly adopted by the Board of County Commissioners of the Issuer on May 20, 2013.

Both the principal of and interest on this Bond are payable from taxes to be levied upon all taxable property in said Issuer without limitation as to rate or amount. For the prompt payment of both principal and interest on this Bond, the full faith, credit and resources of the Issuer are hereby irrevocably pledged. Reference is made to the Resolution for a more complete statement of the revenues from which and the conditions under which this Bond is payable and the general covenants and provisions pursuant to which this Bond is issued.

It is hereby certified, recited and declared that all acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this Bond, in order to make the same a legal, valid and binding obligation of Hawkins County, Tennessee, have happened, do exist and have been performed in regular and due time, form and manner as required by law; that due provision has been made for the levy and collection of a direct annual tax, as from time to time may be found necessary, upon all taxable property within Hawkins County sufficient to pay the principal and interest hereon as the same become due and payable; and that this Bond and the issue of which it forms a part, together with all other indebtedness of Hawkins County, Tennessee, do not exceed any applicable Constitutional or statutory debt limit.

This Bond and the income herefrom are exempt from all state, county, and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except Tennessee franchise, excise and corporate privilege taxes applicable to certain holders.

If applicable, the following provision shall be added:

[This Bond is a "qualified tax-exempt obligation" designated (or deemed designated) by the Issuer for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.]

SECTION 12. Both the principal of an interest on the Bonds are payable from taxes to be levied on all taxable property in said Issuer without limitation as to rate and amount. For the prompt payment of such principal and interest, the full faith, credit and resources of Hawkins County, Tennessee are hereby irrevocably pledged, and in order to provide for the payment of the Bonds and the interest thereon, there shall be and there is hereby directed to be levied and collected, at the same time and in the same manner as other taxes of Hawkins County, Tennessee are levied and collected, a direct tax upon all taxable property within the boundaries of Hawkins County, Tennessee, in such amount as may be found necessary each year to provide for the payment of the principal of the Bonds and the interest thereon, as the same mature and become due.

It shall be the duty of the tax-levying and collecting authorities of Hawkins County, Tennessee, in each year while any of the Bonds issued hereunder shall remain outstanding and unpaid, without any further direction or authority to levy and collect the taxes herein provided for, and the rate of taxation to be levied in each year shall be sufficient, to provide the sums required in each year for the payment of the principal of and interest on the Bonds. Should there be a failure in any year to comply with the requirements of this Section, such failure shall not impair the right of the holders of any of the Bonds in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Bonds herein authorized to be issued, both as

to principal and interest. Principal and interest falling due at any time when there are insufficient funds on hand shall be paid from the current funds of the Issuer and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of direct appropriations from the general funds or other funds, taxes and revenues of the Issuer to the payment of debt service on the Bonds.

SECTION 13. Remedies of Bondholders. Except as herein expressly limited, the registered owners of the Bonds shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Tennessee and of the United States of America for the enforcement of payment of such Bonds and the interest thereon and of the pledge of the revenues made hereunder and of the covenants of the Issuer hereunder, including all the benefits and rights granted by Sections 9-21-101 et seq. of the Tennessee Code Annotated.

SECTION 14. The proceeds of the sale of the Bonds shall be applied by the Issuer as follows:

(a) all accrued interest shall be deposited into the Bond Fund of the Issuer and used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds;

(b) the Issuer shall pay, or cause to be paid, all costs of issuance of the Bonds, including, but not limited to, necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premiums, swap termination fees, bond rating fees, Bond Registrar fees, administrative and clerical costs, and other necessary

miscellaneous expenses incurred in connection with the authorization, issuance and sale and delivery of the Bonds;

(c) the balance of the proceeds from the sale of the Bonds shall be deposited with the County Clerk and shall be kept separate and apart from all other funds of the Issuer in a special fund hereby designated as the “the 2013 Project Fund”, which shall be applied exclusively to pay (i) costs of the Project and (ii) legal, fiscal, engineering, and administrative costs incident to the Project or to the issuance of the Bonds; and it shall be used for no other purposes. Any Bond proceeds not put to immediate use shall be deposited at interest by the County Clerk until needed. The interest arising therefrom shall be used only towards retiring the Bonds or may be added to the Bond proceeds and used for the same purposes. Monies in the 2013 Project Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in the 2013 Project Fund.

SECTION 15. RESERVED

SECTION 16. The Issuer recognizes that the purchasers and holders of the Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is exempt from federal income taxation under laws in force on the date of delivery of the Bonds. In this connection, the Issuer agrees that it shall take no action which may render the interest on any of said Bonds subject to federal income taxation and agrees to take all action as may be necessary to comply with the provisions of the Code and the regulations thereunder in order to maintain or assure the tax-exempt status of the Bonds. It is the reasonable expectation

of the Governing Body of the Issuer that the proceeds of the Bonds will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, including any lawful regulations promulgated or proposed thereunder (or under corresponding provisions of prior law, if applicable), and to this end the said proceeds of the Bonds and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body of the Issuer further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bonds to the United States government, it will make such payments as and when required by Section 148(f) and will take such other actions as shall be necessary or permitted to prevent interest on the Bonds from becoming taxable. The Mayor and the County Clerk or any of them, are authorized and directed to make such certifications in this regard and as is otherwise customary or appropriate in connection with the sale of the Bonds as they shall deem appropriate, and such certifications shall constitute the representations and certifications of the Issuer.

SECTION 17. The Issuer hereby authorizes the Mayor to designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code to the extent the Issuer may legally do so and hereby authorizes the Mayor to make the final determination and designation as to such matters on behalf of the Issuer at the time the Bonds are sold.

SECTION 18. If the Issuer shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid the principal of and interest on such Bonds as and when the same become due and payable; or

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers (the "Agent"; which Agent may be the Bond Registrar), in trust, on or before the date of maturity or redemption, sufficient money or Obligations of the United States of America, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice) and if the Issuer shall also pay or cause to be paid all other sums payable hereunder by the Issuer with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as required to the Bond Registrar for further payment to the registered owners for the payment of principal of and interest and redemption premiums, if any, on such Bonds when due; or

(c) By delivering such Bonds to the Bond Registrar for cancellation; then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the Issuer to the owners of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the Issuer shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

Except as otherwise provided in this Section 18, neither the Obligations of the United States of America nor moneys deposited with the Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Bonds; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the Issuer as received by the Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premium, if any, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the Agent.

SECTION 19. Continuing Disclosure. The Issuer hereby covenants and agrees that it will provide annual financial information and material event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The Mayor is authorized to execute a continuing disclosure agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and the Issuer's obligations relating thereto. Failure of the Issuer to comply with the undertaking herein described and to be detailed in such continuing disclosure agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate

to cause the Issuer to comply with its undertaking as set forth herein and in such continuing disclosure agreement, including the remedies of mandamus and specific performance.

SECTION 20. All other actions of officers of the Issuer in conformity with the purposes and intent of this resolution and in furtherance of the issuance and sale of the Bonds are hereby approved and confirmed. The officers of the Issuer are hereby authorized and directed to execute and deliver all certificates and instruments and to take all such further action as may be considered necessary or desirable in connection with the issuance, sale and delivery of the Bonds.

SECTION 21. The provisions of this Resolution shall constitute a contract between the Issuer and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full except such changes as shall be required or may be appropriate to assure the validity and/or tax exempt status of the Bonds.

SECTION 22. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall remain in full force and effect, it being expressly hereby found and declared that the remainder of the Resolution would have been adopted by this Governing Body despite the invalidity of such section, paragraph, clause or provision.

SECTION 23. All orders or resolutions in conflict herewith be and the same are hereby repealed insofar as such conflict exists.

SECTION 24. This resolution shall take effect from and after its approval, the general welfare of Hawkins County requiring it.

Passed and approved May 20, 2013.

(j) "Escrow Agent" shall mean Regions Bank, Nashville, Tennessee, or another escrow agent appointed by the County Mayor, or its successor;

(k) "Financial Advisor" shall mean Cumberland Securities Company, Inc., Knoxville, Tennessee.

(l) "Fiscal Year" shall mean the twelve-month period beginning on July 1 of each year and ending on the last day of June of the following year;

(m) "Governing Body" shall mean the Board of County Commissioners of the Issuer;

(n) "Issuer" shall mean Hawkins County, Tennessee;

(o) "Mayor" or "County Mayor" shall mean the duly elected County Mayor of the Issuer from time to time.

(o) "Obligations of the United States of America" shall mean direct obligations of, or obligations the principal of and interest on which are guaranteed by, the United States government or obligations of any agency or instrumentality of the United States of America which are permitted investments under Tennessee law for the purposes for which they are to be purchased and/or held, or any additional obligations permitted under Tennessee law;

(p) "Refunded Obligation" shall mean all or a portion of the Issuer's outstanding obligations pursuant to its Loan Agreement with the Public Building Authority of Blount County dated May 15, 2008 and the related bonds, Local Government Public Improvement Bonds, Series B-15-A, dated May 15, 2008 (the "Refunded Obligation").

SECTION 3. Findings of the Governing Body. It is hereby found and determined by the Governing Body as follows:

(a) The issuance of the Bonds is necessary and in the best interests of the citizens of the Issuer;

(b) The proposed bond sale being authorized by this resolution is feasible and in the best interests of the Issuer; and

(c) The issuance of the Bonds will be in compliance with the Issuer's Debt Management Policy; and

(d) The proceeds from the sale of the Bonds and other funds of the Issuer, together with investment income therefrom, will be sufficient to pay principal of, premium, if any, and interest on the Refunded Obligation.

SECTION 4. The Mayor is hereby authorized and directed to determine the principal amount of the Bonds not to exceed the principal amount specified in Section 1 to be actually issued (which may be in one or more emissions) and to effect adjustments in the maturity schedule and optional redemption dates set forth herein as authorized in Section 7. The determinations made by the Mayor, as described above, and the finalization of the details of the Bonds and sale of the Bonds by the Mayor shall be binding on the Issuer and no further action by the Governing Body with respect thereto shall be required. The Mayor shall cause, if advantageous to the Issuer, all or a portion of the Bonds to be insured by one or more bond insurance policies issued by one or more nationally recognized bond insurance companies so long as it is demonstrated to the Mayor's satisfaction either (i) that such insurance is necessary to sell the Bonds, or the portion thereof to be insured, or (ii) the present value of the projected

savings in interest costs to the Issuer as a result of obtaining such bond insurance exceeds the premium cost to the Issuer for such bond insurance.

The Mayor is authorized to sell the Bonds at a public sale at a price of not less than 98.0% of the par value of the Bonds actually issued, plus accrued interest.

The Mayor is hereby authorized and directed to publish a Notice of Sale for the Bonds and, if appropriate, for any other bonds of the Issuer which are being competitively sold at the same time, in either a financial newspaper having national circulation, or via an electronic communication system that is generally available to the financial community, and the date of publication shall be selected by the Mayor as he may deem appropriate for the purpose of conducting the sale of the Bonds at public sale at the earliest possible date after complying with the requirements of Tennessee Code Annotated, Section 9-21-203 that the Bonds must be advertised for sale for not less than 5 days prior to the sale of the Bonds. If the principal amount of bonds to be sold is not greater than \$5,000,000, then the notice of sale may be published as set forth above or in a newspaper having general circulation in the Issuer. The Notice of Sale shall be in such form, meeting the requirements of Tennessee Code Annotated Section 9-21-202, as shall be approved by the Mayor and the Financial Advisor. The Bonds shall be sold by physical delivery of bids or by electronic bidding means of an internet bidding service as shall be determined by the Mayor, in consultation with the Financial Advisor. The Mayor is hereby authorized to enter into a contract for financial advisory services with the Financial Advisor in connection with the sale of the Bonds, and an engagement letter with bond counsel.

SECTION 5. The Mayor and County Clerk, working with the Financial Advisor, are hereby authorized and directed to provide for the preparation and distribution, electronic or otherwise, of a Preliminary Official Statement describing the Bonds and any other bonds or notes which in the discretion of the Mayor are sold at the same time as the Bonds. After the Bonds have been sold, the Mayor and the County Clerk shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The Mayor and County Clerk shall arrange for the delivery of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been sold to the successful bidder, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of its bidding group initially sell the Bonds.

The Mayor is authorized, on behalf of the Issuer, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the Issuer except for the omission in the Preliminary Official Statement of such pricing and other information.

SECTION 6. Subject to the adjustments permitted pursuant to Section 7, the Bonds shall be designated "General Obligation Refunding Bonds, Series 2013," shall be dated as of

their date of issuance, shall be numbered from R-1 upward, shall be issued in fully registered, book-entry only form, without coupons in the denomination of \$5,000 (or integral multiples thereof), and shall be subject to prior redemption as set forth below. Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. Until exchanged for definitive Bonds, the temporary Bonds shall be entitled to the same benefits as definitive Bonds authenticated and delivered hereunder.

SECTION 7. The Bonds shall bear interest, not exceeding 5.50%, as designated by the Mayor, payable semiannually on June 1 and December 1 of each year commencing December 1, 2013, shall mature June 1, in the years and in the amounts as determined by the Mayor.

The Mayor is authorized to determine the amount of each maturity, to change the dated date of the Bonds to a date other than their date of issuance, to sell the Bonds in one or more emissions, to change the Series designation of the Bonds, to determine the principal and interest payment dates of the Bonds, to determine the maturity dates of the Bonds, to determine the optional redemption dates and provide for a premium not to exceed two percent (2%) of the par amount to be redeemed, to combine the issuance of the Bonds with the issuance of bonds pursuant to other authorizing resolutions of the Issuer and to make appropriate changes in the name of the Bonds and other adjustments to recognize such combined issuance, such adjustments to be made as the Mayor in his sole discretion shall deem most advantageous to the Issuer, provided that the aggregate amount of Bonds issued pursuant to this resolution shall not exceed the principal amount set forth in Section 1. The Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements as determined by the Mayor. In the event any or all the Bonds are sold as term bonds, the Issuer shall redeem

term bonds on redemption dates corresponding to the maturity dates determined by the Mayor, in aggregate principal amounts equal to the maturity amounts determined by the Mayor for each redemption date, at a price of par plus accrued interest thereon to the date of redemption. The term bonds to be redeemed within a single maturity shall be selected in the manner described in Section 8.

SECTION 8. Subject to the adjustments permitted pursuant to Section 7 hereof, the Bonds maturing June 1, 2014 through June 1, 2021 shall mature without option of prior redemption. Bonds maturing on June 1, 2022 shall be subject to redemption on June 1, 2021 and at any time thereafter at a redemption price of par plus interest accrued to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the Bonds within the maturity to be redeemed shall be selected as follows:

(a) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(b) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Bond Registrar by lot or such other random manner as the Bond Registrar in its discretion shall determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the Issuer may (i) deliver to the Bond Registrar for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Bond Registrar and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Bond Registrar at 100% of the principal amount thereof on the obligation of the Issuer on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Issuer shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Bond Registrar with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this paragraph are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of call for redemption, whether optional or mandatory, shall be given by the Bond Registrar on behalf of the Issuer not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Bond Registrar as of the date of the notice; but neither failure to

mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Bond Registrar to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the Issuer nor the Bond Registrar shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Bond Registrar shall mail said notices as and when directed by the Issuer pursuant to written instructions from an authorized representative of the Issuer (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Bond Registrar). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Bond Registrar for the payment thereof and if notice has been duly provided as set forth herein.

SECTION 9. The Issuer hereby appoints Regions Bank, Nashville, Tennessee as the initial paying agent and bond registrar (the "Bond Registrar") with respect to the Bonds and authorizes and directs the Bond Registrar to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, and to make all payments of principal and interest with respect to the Bonds as provided herein, and to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange, transfer or

cancellation and to furnish the Issuer with a certificate of destruction. The Bond Registrar shall maintain registration books for the registration and registration of transfer of the Bonds, which books shall be kept in a manner that complies with the requirements of Section 149 of the Internal Revenue Code of 1986, as amended, and Regulations thereunder (or under corresponding provisions of prior law, if applicable) for recordkeeping relating to "registration-required bonds" and in accordance with the Tennessee Public Obligations Registration Act (T.C.A. §9-19-101 et seq., as amended).

SECTION 10. The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at designated corporate trust office of the Bond Registrar. The Bond Registrar shall make all interest payments with respect to the Bonds on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Bond Registrar as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing such payment in the United States mail, postage prepaid, addressed to such owners at such owners' addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Bond Registrar as the same shall become due and payable. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the

continental United States or deposited to a designated account if such account is maintained with the Bond Registrar and written notice of any such election and designated account is given to the Bond Registrar prior to the record date.

The Bonds are transferable only by presentation to the Bond Registrar by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the reverse side thereof (or attached thereto) completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Bond Registrar shall issue a new Bond or Bonds to the assignee(s) in such authorized denominations, as requested by the registered owner requesting transfer. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary, including, but not limited to, any previous transfer request not accompanied by acceptable documentation.

The Bonds shall be signed by the Mayor with his manual or facsimile signature, shall be attested by the County Clerk by his or her manual or facsimile signature, and shall have imprinted or impressed thereon the official seal of the Issuer (or a facsimile thereof).

The Bond Registrar is hereby authorized to authenticate and deliver the Bonds from time to time to the original purchasers thereof or as it or they may designate upon receipt by the

Issuer of the proceeds of the sale thereof, together with any necessary documentation, and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Bond Registrar by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the Issuer, in its discretion, shall issue, and the Bond Registrar shall authenticate and deliver a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be about to mature, instead of issuing a substituted Bond the Issuer may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the Issuer and the Bond Registrar of the destruction, theft or loss of such Bond, and indemnity satisfactory to the Issuer and the Bond Registrar, and the Issuer may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the Issuer for the expense incurred by it in the issue thereof.

Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the Issuer to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such

Defaulted Interest, which shall be fixed in the following manner: the Issuer shall notify the Bond Registrar in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Issuer shall deposit with the Bond Registrar an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Bond Registrar for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Bond Registrar of the notice of the proposed payment, the Bond Registrar shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Bond Registrar shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Bond Registrar as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the Issuer to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding

interest payment date of such Bond, nor to transfer or exchange any Bond after the publication of notice calling such Bond for redemption has been made, nor to transfer or exchange any Bond during the period following the receipt of instructions from the Issuer to call such Bond for redemption; provided, the Bond Registrar, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Bond Registrar, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.

Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a custodian and agent for DTC and the Bonds shall be immobilized in its custody or a custodian of DTC. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE BOND REGISTRAR SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE BOND REGISTRAR TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Bond Registrar directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Bonds from the Issuer and the Bond Registrar to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The Issuer and the Bond Registrar shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction

statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Issuer determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, or (3) the Beneficial Owners of all Bonds shall request that such Bonds no longer be held under The Book-Entry System and shall agree to hold the Bonds for investment and not to reoffer the Bonds, the Issuer shall discontinue the Book-Entry System with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer shall cause the Bond Registrar to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

THE ISSUER AND THE BOND REGISTRAR SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE

BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

The Bond Registrar is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Bond Registrar) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds, provided, however, that the Bond Registrar shall not be liable with respect to any such arrangements it may make pursuant to this section.

Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or

draft at the corporate trust office of Regions Bank, Nashville, Tennessee, as bond registrar and paying agent (the "Bond Registrar"). The Bond Registrar shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Bond Registrar as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the Issuer to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Bond Registrar, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of [and premium, if any,] on this Bond shall be made when due upon presentation and surrender of this Bond to the Bond Registrar.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Bond Registrar is a

custodian and agent for DTC and the Bonds shall be immobilized in its custody or a custodian of DTC. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the Issuer and the Bond Registrar shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the Issuer nor the Bond Registrar shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Issuer determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the Issuer may discontinue the book-entry system with DTC. If the Issuer fails to identify another qualified securities depository to replace DTC, the Issuer shall cause the Bond Registrar to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the

Issuer nor the Bond Registrar shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

Bonds of the issue of which this Bond is one maturing June 1, 2014 through June 1, 2021 shall mature without option of prior redemption. Bonds of the issue of which this Bond is one maturing on June 1, 2022 shall be subject to redemption at the option of the Issuer, in whole or in part on June 1, 2021 and at any time thereafter at a price of par plus interest accrued to the redemption date.

If Term Bonds are issued, the following provisions shall be included:

[The Issuer shall redeem Bonds maturing June 1, _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities

depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Bond Registrar by lot or such other random manner as the Bond Registrar in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Stated Maturity</u>	<u>Redemption Date</u>	<u>Principal Amount of Bonds Redeemed</u>
----------------------------	----------------------------	---

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the Issuer may (i) deliver to the Bond Registrar for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Bond Registrar and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Bond Registrar at 100% of the principal amount thereof on the obligation of the Issuer on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Issuer shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Bond Registrar with its certificate indicating whether or not and to what extent the

provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption shall be given by the Bond Registrar not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Bond Registrar as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Bond Registrar to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the Issuer nor the Bond Registrar shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Bond Registrar for the payment thereof and if notice has been duly provided as set forth in the Resolution, as hereafter defined.

This Bond is transferable by the registered owner hereof in person or by such owner's legal representative duly authorized in writing at the designated corporate trust office of the Bond Registrar set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon

surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Issuer nor the Bond Registrar shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Bond Registrar shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the Issuer to call such Bond for redemption.

This Bond is one of a series of Bonds, all of like tenor and effect, except as to date, number, rate of interest and principal amount, in an aggregate principal amount of \$26,500,000 issued for the purpose of providing funds to refund all or a portion of the Issuer's outstanding obligations pursuant to its Loan Agreement with the Public Building Authority of Blount County dated May 15, 2008 and the related bonds, Local Government Public Improvement Bonds, Series B-15-A, dated May 15, 2008 (the "Refunded Obligation"); and to pay costs incident to the sale of the bonds issued for such purposes. This Bond is issued under and pursuant to and in full compliance with the Constitution and statutes of the State of Tennessee,

including Tennessee Code Annotated Section 9-21-101 et seq., pursuant to a resolution (the "Resolution") duly adopted by the Board of County Commissioners of the Issuer on May 20, 2013.

Both the principal of and interest on this Bond are payable from taxes to be levied upon all taxable property in said Issuer without limitation as to rate or amount. For the prompt payment of both principal and interest on this Bond, the full faith, credit and resources of the Issuer are hereby irrevocably pledged. Reference is made to the Resolution for a more complete statement of the revenues from which and the conditions under which this Bond is payable and the general covenants and provisions pursuant to which this Bond is issued.

It is hereby certified, recited and declared that all acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this Bond, in order to make the same a legal, valid and binding obligation of Hawkins County, Tennessee, have happened, *do exist and have been performed in regular and due time, form and manner as required by law;* that due provision has been made for the levy and collection of a direct annual tax, as from time to time may be found necessary, upon all taxable property within Hawkins County sufficient to pay the principal and interest hereon as the same become due and payable; and that this Bond and the issue of which it forms a part, together with all other indebtedness of Hawkins County, Tennessee, do not exceed any applicable Constitutional or statutory debt limit.

This Bond and the income herefrom are exempt from all state, county, and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes and except Tennessee franchise, excise and corporate privilege taxes applicable to certain holders.

If applicable, the following provision shall be added:

[This Bond is a "qualified tax-exempt obligation" designated (or deemed designated) by the Issuer for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended.]

SECTION 12. Both the principal of an interest on the Bonds are payable from taxes to be levied on all taxable property in said Issuer without limitation as to rate and amount. For the prompt payment of such principal and interest, the full faith, credit and resources of Hawkins County, Tennessee are hereby irrevocably pledged, and in order to provide for the payment of the Bonds and the interest thereon, there shall be and there is hereby directed to be levied and collected, at the same time and in the same manner as other taxes of Hawkins County, Tennessee are levied and collected, a direct tax upon all taxable property within the boundaries of Hawkins County, Tennessee, in such amount as may be found necessary each year to provide for the

payment of the principal of the Bonds and the interest thereon, as the same mature and become due.

It shall be the duty of the tax-levying and collecting authorities of Hawkins County, Tennessee, in each year while any of the Bonds issued hereunder shall remain outstanding and unpaid, without any further direction or authority to levy and collect the taxes herein provided for, and the rate of taxation to be levied in each year shall be sufficient, to provide the sums required in each year for the payment of the principal of and interest on the Bonds. Should there be a failure in any year to comply with the requirements of this Section, such failure shall not impair the right of the holders of any of the Bonds in any subsequent year to have adequate taxes levied and collected to meet the obligations of the Bonds herein authorized to be issued, both as to principal and interest. Principal and interest falling due at any time when there are insufficient funds on hand shall be paid from the current funds of the Issuer and reimbursement therefor shall be made out of the taxes hereby provided to be levied when the same shall have been collected. The tax herein provided may be reduced to the extent of direct appropriations from the general funds or other funds, taxes and revenues of the Issuer to the payment of debt service on the Bonds.

SECTION 13. Remedies of Bondholders. Except as herein expressly limited, the registered owners of the Bonds shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Tennessee and of the United States of America for the enforcement of payment of such Bonds and the interest thereon and of the pledge of the revenues made hereunder and of the covenants of the Issuer hereunder,

including all the benefits and rights granted by Sections 9-21-101 et seq. of the Tennessee Code Annotated.

SECTION 14. The proceeds of the sale of the Bonds shall be applied by the Issuer as follows:

(a) all accrued interest shall be deposited into the Bond Fund of the Issuer and used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds;

(b) the Issuer shall pay, or cause to be paid, all costs of issuance of the Bonds, including, but not limited to, necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premiums, swap termination fees, bond rating fees, Bond Registrar fees, administrative and clerical costs, and other necessary miscellaneous expenses incurred in connection with the authorization, issuance and sale and delivery of the Bonds; and

(c) the balance of the proceeds of the Bonds, which, together with other legally available funds of the Issuer and earnings on said proceeds and funds, will be sufficient to pay principal, accrued interest and redemption premium, as appropriate, on the Refunded Obligation shall be immediately applied for such purpose.

For the purpose of providing for the payment of the principal of and interest on the Refunded Obligation, the Mayor is hereby authorized and directed to execute and the County Clerk to attest on behalf of the Issuer a refunding escrow agreement (the "Refunding Escrow Agreement") with the Escrow Agent and to deposit with the Escrow Agent all or a portion of the Bond proceeds described in Section 14(c) hereof and other funds of the Issuer legally available

therefor. Said funds will be used by the Escrow Agent to purchase the Obligation of the United States of America as provided in the Refunding Escrow Agreement; provided, however, that the yield on such investments shall be determined in such manner that none of the Bonds will be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The form of Refunding Escrow Agreement now before the Governing Body and attached hereto as Exhibit B is hereby in all respects approved and the Mayor and County Clerk are hereby authorized and directed to execute and deliver the same on behalf of the Issuer in substantially the form thereof presented to this meeting, or with such changes as may be approved by the Mayor and County Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes. The Escrow Agent is hereby authorized to hold and administer all funds deposited in trust for the payment when due of principal of and interest on the Refunded Obligations and to exercise the duties set forth in the Refunding Escrow Agreement. The Mayor is hereby authorized to subscribe for the purchase of permitted Obligations of the United States of America for deposit to the Refunding Escrow Agreement.

SECTION 15. If at the time of the issuance of the Bonds, the Refunded Obligation will not be retired or a valid and timely notice of redemption of the Refunded Obligation is not given in accordance with the resolutions governing the Refunded Obligation, then prior to the issuance of the Bonds, notice of the Issuer's intention to refund the Refunded Obligation shall be given either (i) by mail to the owners of the Refunded Obligation at their addresses shown on the bond registration records for the Refunded Obligation, or (ii) by publication of an appropriate notice one (1) time each in a financial newspaper published in New York, New York, and having a national circulation and in a newspaper having a general circulation in the Issuer. Such notice

shall be in a form that meets the requirements of Section 9-21-912 of the Tennessee Code Annotated, as amended. If the issuance of the Bonds does not occur as provided in such notice, notice thereof shall be given in the same manner. The County Clerk is hereby authorized and directed to publish any such notices as may be required in accordance with this Section 15.

SECTION 16. The Issuer recognizes that the purchasers and holders of the Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is exempt from federal income taxation under laws in force on the date of delivery of the Bonds. In this connection, the Issuer agrees that it shall take no action which may render the interest on any of said Bonds subject to federal income taxation and agrees to take all action as may be necessary to comply with the provisions of the Code and the regulations thereunder in order to maintain or assure the tax-exempt status of the Bonds. It is the reasonable expectation of the Governing Body of the Issuer that the proceeds of the Bonds will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, including any lawful regulations promulgated or proposed thereunder (or under corresponding provisions of prior law, if applicable), and to this end the said proceeds of the Bonds and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body of the Issuer further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Bonds to the United States government, it will make such payments as and when required by Section 148(f) and will take such other actions as shall be necessary or permitted to prevent interest on the Bonds from becoming taxable. The Mayor and the County Clerk or any of them, are authorized and directed to make such certifications in this

regard and as is otherwise customary or appropriate in connection with the sale of the Bonds as they shall deem appropriate, and such certifications shall constitute the representations and certifications of the Issuer.

SECTION 17. The Issuer hereby authorizes the Mayor to designate the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3)(B) of the Code to the extent the Issuer may legally do so and hereby authorizes the Mayor to make the final determination and designation as to such matters on behalf of the Issuer at the time the Bonds are sold.

SECTION 18. If the Issuer shall pay and discharge the indebtedness evidenced by any of the Bonds in any one or more of the following ways, to wit:

(a) By paying or causing to be paid the principal of and interest on such Bonds as and when the same become due and payable; or

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers (the "Agent"; which Agent may be the Bond Registrar), in trust, on or before the date of maturity or redemption, sufficient money or Obligations of the United States of America, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay premium, if any, and interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice) and if the Issuer shall also pay or cause to be paid all other sums payable hereunder by the Issuer with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Agent to pay amounts when and as

required to the Bond Registrar for further payment to the registered owners for the payment of principal of and interest and redemption premiums, if any, on such Bonds when due; or

(c) By delivering such Bonds to the Bond Registrar for cancellation; then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the Issuer to the owners of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the Issuer shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Obligations of the United States of America deposited as aforesaid.

Except as otherwise provided in this Section 18, neither the Obligations of the United States of America nor moneys deposited with the Agent pursuant to this Section nor principal or interest payments on any such Obligations of the United States of America shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Bonds; provided, that any cash received from such principal or interest payments on such Obligations of the United States of America deposited with the Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the Issuer as received by the Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Obligations of the United States of America maturing at times and in amounts sufficient to pay when due the principal and premium, if any, and interest to become due on said Bonds on or prior to such

redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the Agent.

SECTION 19. Continuing Disclosure. The Issuer hereby covenants and agrees that it will provide annual financial information and material event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The Mayor is authorized to execute a continuing disclosure agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and the Issuer's obligations relating thereto. Failure of the Issuer to comply with the undertaking herein described and to be detailed in such continuing disclosure agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the Issuer to comply with its undertaking as set forth herein and in such continuing disclosure agreement, including the remedies of mandamus and specific performance.

SECTION 20. All other actions of officers of the Issuer in conformity with the purposes and intent of this resolution and in furtherance of the issuance and sale of the Bonds are hereby approved and confirmed. The officers of the Issuer are hereby authorized and directed to execute and deliver all certificates and instruments and to take all such further action as may be considered necessary or desirable in connection with the issuance, sale and delivery of the Bonds.

SECTION 21. The provisions of this Resolution shall constitute a contract between the Issuer and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any

manner until such time as the Bonds and interest due thereon shall have been paid in full except such changes as shall be required or may be appropriate to assure the validity and/or tax exempt status of the Bonds.

SECTION 22. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall remain in full force and effect, it being expressly hereby found and declared that the remainder of the Resolution would have been adopted by this Governing Body despite the invalidity of such section, paragraph, clause or provision.

SECTION 23. All orders or resolutions in conflict herewith be and the same are hereby repealed insofar as such conflict exists.

SECTION 24. This resolution shall take effect from and after its approval, the general welfare of Hawkins County requiring it.

Passed and approved May 20, 2013.

Honorable Melville Bailey, Mayor
Hawkins County
150 E. Washington Street, Suite 2
Rogersville, TN 37857

Dear Mayor Bailey:

This letter acknowledges receipt on April 29, 2013, of a request to review a plan of refunding (the "Plan") for an issuance of an amount not to exceed \$26,500,000 General Obligation Bonds, Series 2013 (the "2013 Refunding Bonds"), to advance refund by competitive sale, an estimated \$21,635,000 Local Government Public Improvement Bonds, Series B-15-A (the "Refunded Bonds").

Pursuant to the provisions of Tennessee Code Annotated, Title 9, Chapter 21, a plan must be submitted to our Office for review prior to the adoption of a resolution by the governing body of a local government authorizing the issuance of refunding bonds secured, in whole or in part, by the full faith and credit and unlimited taxing power of the County. The information presented in the Plan includes the assertions of the County and may not reflect either current market conditions or market conditions at the time of sale.

The County provided a copy of its debt management policy. A specific description of how the debt complies with the County's debt policy should be included on the form CT-0253 to be submitted within 45 days of issuance of the debt approved in this letter. If the most current version is on file with this office a copy does not have to be submitted.

COUNTY'S PROPOSED REFUNDING OBJECTIVE

The 2013 Refunding Bonds are being issued for debt service savings. The County's Debt Management Policy requires a 3% net present value savings threshold to proceed with an advance refunding. The Plan estimates net present value savings of \$1,403,270 or 6.49% of the refunded principal.

Distribute this letter and the enclosed report of the review of the Plan to the members of the governing body as required by Tenn. Code Ann. § 9-21-903.

This letter, report, and the Plan are to be posted on the County's website. The report is to be reviewed at the public meeting at which the proposed refunding bond resolution will be presented.

The enclosed report does not constitute approval or disapproval for the proposed plan or a determination that a refunding is advantageous or necessary nor that any of the outstanding obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity.

This letter and the enclosed report do not address the compliance with federal tax regulations and are not to be relied upon for that purpose. The County should discuss these issues with a bond counsel.

This report is effective for a period of one hundred twenty (120) days. If the refunding has not been completed during this time, a supplemental plan of refunding must be submitted to this Office, at that time we will issue a report thereon pursuant to the statutes. In lieu of submitting a supplemental plan, a statement may be submitted to our Office after the 120-day period has elapsed stating that the information contained in the current plan of refunding remains valid. Such statement must be submitted by either the Chief Executive Officer or the Chief Financial Officer of the local government. We will acknowledge receipt of such statement and will issue our letter confirming that this refunding report remains valid for an additional 120-day period. However, with regard to the report currently being issued by this Office, during the initial 120-day period or any subsequent 120-day period no refunding reports will be issued relating to the debt obligations indicated herein as being refunded unless the Chief Executive Officer or the Chief Financial Officer notifies our Office that the plan of refunding which has been submitted is no longer valid.

We recognize that the information provided in the plan submitted to our Office is based on preliminary analysis and estimates, and that actual results will be determined by market conditions at the time of sale of the debt obligations. However, if it is determined prior to the issuance of these obligations that the actual results will be significantly different from the information provided in the plan which has been submitted, and the local government determines to proceed with the issue, our Office should subsequently be notified by either the Chief Executive Officer or the Chief Financial Officer of the local government regarding these differences, and that the local government was aware of the differences and determined to proceed with the issuance of the debt obligations. Notification to our Office will be necessary only if there is an increase or decrease of greater than fifteen percent (15%) in any of the following: (1) the principal amount of the debt obligations issued; (2) the costs of issuance; (3) the cumulative savings or loss with regard to any refunding proposal. We consider this notification necessary to insure that this Office and officials of the local government are aware of any significant changes that occur with regard to the issuance of the proposed indebtedness.

PUBLIC DEBT ENTITY REPORT

Enclosed is a revised Form CT-0253 - Report on Debt Obligation. The Form CT-0253 must be filed with the governing body of the public entity issuing the debt not later than forty-five (45) days following the issuance or execution of a debt obligation by or on behalf of any public entity, with a copy (including attachments, if any) filed with the Director of the Office of State and Local Finance either by mail to the address on this letterhead or by email to the address below. No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation.

**REPORT OF THE DIRECTOR OF THE OFFICE OF STATE AND LOCAL FINANCE
HAWKINS COUNTY, TENNESSEE
CONCERNING THE PROPOSED ISSUANCE OF ITS
GENERAL OBLIGATION BONDS, SERIES 2013**

Hawkins County (the "County") submitted a plan of refunding (the "Plan"), as required by Tenn. Code Ann. § 9-21-903 regarding the issuance of not to exceed \$26,500,000 General Obligation Bonds, Series 2013 (the "2013 Refunding Bonds"), to advance refund by competitive sale, an estimated \$21,635,000 Local Government Public Improvement Bonds, Series B-15-A (the "Refunded Bonds").

The Plan was prepared with the assistance of the County's municipal advisor, Cumberland Securities Company, Inc. The County provided a copy of its debt management policy.

Refunding Analysis

- The results for the refunding are based on the assumption that the estimated \$26,500,000 Series 2013 Refunding Bonds will be sold through competitive sale and priced at par.
- The 2013 Refunding Bonds are being issued for debt service savings. The County's Debt Management Policy requires a 3% net present value savings threshold to proceed with an advance refunding.
- Estimated net present value savings is \$1,403,270 or 6.49% of the refunded principal.
- The savings are achieved by reducing the average coupon on the Refunded Bonds from 4.85% to an estimated average coupon of 2.71% for the 2013 Refunding Bonds.
- The 2013 Refunding Bonds do not extend the final maturity of the Refunded Bonds.
- Estimated cost of issuance of the 2013 Refunding Bonds is \$431,547 or \$16.28 per \$1,000 of par amount for the 2013 Refunding Bonds. The cost of issuance includes an estimated underwriter's discount of \$143,547 or \$5.42 per \$1,000 of par amount for the 2013 Refunding Bonds.

The County has identified Cumberland Securities Company, Inc. as its municipal advisor. Municipal Advisors have a fiduciary responsibility to you, the issuer. Underwriters have no fiduciary responsibility to you. They represent the interests of their firm.

This report of the Office of State and Local Finance does not constitute approval or disapproval by the Office for the Plan or a determination that a refunding is advantageous or necessary nor that any of the refunded obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This report is based on information as presented in the Plan by the County. The assumptions included in the County's Plan may not reflect either current market conditions or market conditions at the time of sale.

This report does not provide broad approval to refund the Refunded Bonds in a bond issue other than the proposed 2013 Refunding Bonds. If all of the Refunded Bonds are not refunded as a part of the 2013 Refunding Bonds, then a new plan will have to be submitted to this Office for review.

The Issuer hereby deposits \$_____ in immediately available funds with the Escrow Agent for deposit into the Escrow Account, which funds shall be held in irrevocable escrow by the Escrow Agent separate and apart from other funds of the Escrow Agent and applied solely as provided in this Agreement. The Issuer represents that:

(a) the portion of such funds in the amount of \$_____ is derived from the net proceeds of the Refunding Bonds and the portion of such funds in the amount of \$-0- is derived from other sources legally available to the Issuer for such purpose; and

(b) upon their investment pursuant to the Agreement, such funds are at least equal to the Escrow Requirement.

In the event that the sums set forth in this Section 2 are less than the Escrow Requirement, the Issuer agrees that it will, promptly and without delay, remit or cause to be remitted to the Escrow Agent, within ten (10) days after receipt of the Escrow Agent's written

request, such additional sum or sums of money as may be necessary to meet the Escrow Requirement.

In addition, the Issuer hereby directs the Escrow Agent to immediately invest of such funds by purchasing the Permitted Securities set forth in Schedule B attached hereto.

SECTION 3. Use and Investment of Funds. The Escrow Agent accepts the duties and obligations of Escrow Agent hereunder, acknowledges receipt of the sum described in Section 2, and agrees:

(a) to hold the funds in irrevocable escrow during the term of this Agreement separate and apart from other funds of the Escrow Agent;

(b) in accordance with the above direction of the Issuer, to immediately invest \$_____ of such funds by the purchase of the Permitted Securities set forth on Schedule B attached hereto, and to hold the balance of \$_____ uninvested, except to the extent that all or a portion of such cash may be invested from time to time in 0% yield Demand Deposit SLGS.

(c) to deposit in the Escrow Account, as received, all receipts of maturing principal of the Permitted Securities and all receipts of interest on the Permitted Securities.

SECTION 4. Payment of Refunded Obligation.

(a) Refunded Obligation. On each principal and/or interest payment date with respect to the Refunded Obligation, to and including the Call Date, the Escrow Agent shall pay to the paying agent for the Refunded Obligation, solely from the cash on hand in the Escrow Account, a sum sufficient to pay the Total Debt Service for the Refunded Obligation coming due on such date, as shown on Schedule A.

(b) Surplus. After making the payments from the Escrow Account described in Subsection 4(a), the Escrow Agent shall hold without investment or reinvestment any remaining cash on hand until such cash is applied to Total Debt Service, except to the extent that all or a portion of such cash may be invested from time to time in 0% yield Demand Deposit SLGS. Upon termination of this Agreement, all remaining funds shall be paid to the Issuer.

(c) Priority of Payments. The holders of the Refunded Obligation shall have and are hereby granted an express lien on the funds and Permitted Securities in the Escrow Account until such funds and Permitted Securities are used and applied as provided in this Agreement.

SECTION 5. Reinvestment.

(a) Except as provided in Section 3 and in this Section, the Escrow Agent shall have no power or duty to invest any funds held under this Agreement or to sell, transfer or otherwise

dispose of or make substitutions of the Permitted Securities held hereunder, and all investment income from the Permitted Securities shall be credited to the Escrow Account and shall not be reinvested.

(b) At the written request of the Issuer and upon compliance with the conditions hereinafter stated, the Escrow Agent shall sell, transfer, otherwise dispose of or request the redemption of any of the Permitted Securities acquired hereunder and shall either purchase the Refunded Obligation or substitute other Permitted Securities for such Permitted Securities. The Issuer will not request the Escrow Agent to exercise, and the Escrow Agent shall not exercise any of the powers described in the preceding sentence in any manner which will cause the Refunded Obligation or the Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or any successor provision thereto and the rulings and interpretations thereof, and the regulations thereunder in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The transactions may be effected only if (i) an independent certified public accountant shall certify that the cash and principal amount of Permitted Securities remaining on hand after the transactions are completed will be not less than the Escrow Requirement, and (ii) the Escrow Agent shall receive an unqualified opinion from a nationally recognized bond counsel to the effect that the transactions will not cause the Refunding Bonds or the Refunded Obligation to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or any successor provision thereto and the rulings and interpretations thereof, and the regulations thereunder in effect on the date of the transactions and applicable to obligations issued on such date.

SECTION 6. Notice of Redemption of Refunded Obligation. The Escrow Agent is hereby authorized and directed and hereby agrees to cause the Registration Agent with respect to the Refunded Obligation to give to the registered holders of the Refunded Obligation and the Bond Insurers notice of the _____ (or soonest practicable date thereafter), optional redemption date as and when required by the resolution authorizing the Refunded Obligation at least thirty (30) and not more than sixty (60) days prior to the Call Date. The notice described above shall be substantially in the forms of the notice attached hereto and made a part hereof as Schedule C.

SECTION 7. No Redemption or Acceleration of Maturity. The Issuer and the Escrow Agent will not redeem the Refunded Obligation except for the redemption reflected in Schedule C attached hereto at the Call Date.

SECTION 8. (Reserved)

SECTION 9. Responsibilities of Escrow Agent.

(a) The Escrow Agent and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract or otherwise, in connection with the execution and delivery of this Agreement, the establishment of the Escrow Account, the

acceptance of the funds deposited therein, the purchase of the Permitted Securities, the retention of the Permitted Securities or the proceeds thereof or any payment, transfer or other application of moneys or securities by the Escrow Agent in accordance with the provisions of this Agreement or by reason of any non-negligent act, omission or error of the Escrow Agent made in good faith in the conduct of its duties. The Escrow Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Account monies and Permitted Securities and the earnings thereon to pay the Refunded Obligation. Provided that the Escrow Agent applies any monies, Permitted Securities and the interest earnings therefrom to pay the Refunded Obligation as provided herein, and complies fully with the terms of this Agreement, the Escrow Agent shall not be liable for any deficiencies in the amounts necessary to pay the Refunded Obligation caused by such calculations. The Escrow Agent shall, however, be responsible for its negligent or willful failure to comply with its duties required hereunder, and its negligent or willful acts, omissions or errors hereunder. The duties and obligations of the Escrow Agent may be determined by the express provisions of this Agreement. The Escrow Agent may consult with counsel, who may or may not be counsel to the Issuer, and in reliance upon the opinion of such counsel shall have full and complete authorization and protection in respect of any action taken, suffered or omitted by it in good faith in accordance therewith. Whenever the Escrow Agent shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering or omitting any action under this Agreement, such matter may be deemed to be conclusively established by a certificate signed by an authorized officer of the Issuer.

(b) The Escrow Agent shall have no lien whatsoever upon any of the monies, Permitted Securities or other investments in the Escrow Account for the payment of fees and expenses for services rendered by the Escrow Agent under this Agreement.

(c) In the event of the Escrow Agent's failure to account for any of the Permitted Securities or monies received by it, said Permitted Securities or monies shall become the property of the Issuer in trust for the holders of the Refunded Obligation, and if for any improper reason such Permitted Securities or monies are not applied as herein provided, the assets of the Escrow Agent shall be impressed with a trust for the amount thereof until the required application shall be made.

SECTION 10. Qualifications of Escrow Agent. There shall at all times be an Escrow Agent hereunder which shall be a corporation or banking association organized and doing business under the laws of the United States or any state, authorized under the laws of its incorporation to exercise corporate trust powers, having a combined capital, surplus and undivided profits of at least \$50,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus and undivided profits as set forth in its most recent report of condition as published. In case at any time the Escrow Agent shall cease to be eligible in accordance with the provisions of this

paragraph, the Escrow Agent shall resign immediately in the manner and with the effect specified hereinbelow.

SECTION 11. Resignation of Escrow Agent. The Escrow Agent may resign and thereby become discharged from the duties and obligations hereby created, by notice in writing given to the Issuer and by giving the holders of the Refunded Obligation notice by first class mail of such resignation not less than thirty (30) days before such resignation shall take effect. Such resignation shall take effect immediately upon the appointment of a new Escrow Agent hereunder, if such new Escrow Agent shall have accepted the duties and obligations thereof.

SECTION 12. Removal of Escrow Agent.

(a) The Escrow Agent may be removed at any time by an instrument or concurrent instruments in writing, executed by the holders of not less than fifty-one percent (51%) in aggregate principal amount of the Refunded Obligation then outstanding and by the Bond Insuror, such instruments to be filed with the Issuer, and not less than thirty (30) days before such removal is to take effect as stated in said instrument, a copy of such instruments filed with the Issuer under the provisions of this paragraph, shall be delivered by the Issuer to the Escrow Agent.

(b) The Escrow Agent may also be removed at any time for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provisions of this Agreement with respect to the duties and obligations of the Escrow Agent by any court of competent jurisdiction upon the application of the Issuer or holders of not less than five percent (5%) in aggregate principal amount of the Refunded Obligation then outstanding.

SECTION 13. Successor Escrow Agent.

(a) If at any time hereafter the Escrow Agent shall resign, be removed, be dissolved or otherwise become incapable of acting, or shall be taken over by any governmental official, agency, department or board, the position of Escrow Agent shall thereupon become vacant. If the position of Escrow Agent shall become vacant for any of the foregoing reasons or for any other reason, the Issuer shall appoint an Escrow Agent to fill such vacancy. The Issuer shall mail a copy of the notice of such appointment to the registered owners of the Refunded Obligation and to the Bond Insuror.

(b) At any time within one year after such vacancy shall have occurred, the holders of a majority in principal amount of the Refunded Obligation then outstanding or the Bond Insuror, by an instrument in writing, filed with the governing body of the Issuer, may appoint a successor Escrow Agent, which shall supersede any Escrow Agent theretofore appointed by the Issuer. Photographic copies of each such instrument shall be delivered promptly by the Issuer to the predecessor Escrow Agent and to the Escrow Agent so appointed by the bondholders. In the case of conflicting appointments made under this paragraph, the first effective appointment made during the one-year period shall govern.

(c) If no appointment of a successor Escrow Agent shall be made pursuant to the foregoing provisions of this Section, the retiring Escrow Agent may apply to any court of competent jurisdiction located in Hawkins County, Tennessee to appoint a successor Escrow Agent. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Escrow Agent.

(d) Any successor Escrow Agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the Issuer and to its predecessor any instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation and removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor and the Escrow Property hereunder, with like effect as if originally named as Escrow Agent herein; but nevertheless, on written request by the Issuer or the request of the successor, the predecessor shall execute and deliver an instrument or instruments transferring to such successor the Escrow Property described herein and all rights, powers and authority of the predecessor with respect thereto. Upon request of any such successor, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and authority. No successor shall accept appointments as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Section 10 hereof.

SECTION 14. Payment to Escrow Agent. The Escrow Agent hereby acknowledges that it will receive reasonable and proper compensation for its services, costs, charges and expenses under this Agreement directly from the Issuer and that no such compensation for its services, costs, charges or expenses shall give rise to a lien or charge against the Escrow Account or any Escrow Property. The Escrow Agent's fee schedule is attached hereto and Schedule D. The Issuer agrees to indemnify the Escrow Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Escrow Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the Issuer and shall not give rise to any claim against the Escrow Account.

SECTION 15. Term. This Agreement shall commence upon its execution and delivery and shall terminate when all transfers and payments required to be made by the Escrow Agent under the provisions hereof shall have been made.

SECTION 16. Reports. The Escrow Agent shall deliver to the Mayor of the Issuer a report of each transaction relating to the Escrow Account as such transaction occurs. In addition, on or before August 1 of each year during the term of this Agreement, the Escrow Agent shall deliver to the County Mayor of the Issuer a report of the financial condition of and an operating statement for the Escrow Account for the one-year period ending on June 30 of such year.

SECTION 17. Amendments to this Agreement. This Agreement is made for the benefit of the Issuer and the holders from time to time of the Refunded Obligation and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Escrow Agent and the Issuer; provided, however, that the Issuer and the Escrow Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Agreement;
- (b) to grant to, or confer upon, the Escrow Agent for the benefit of the holders of the Refunded Obligation, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Escrow Agent; and
- (c) to subject to this Agreement additional funds, securities or properties or to effect transactions in compliance with Section 5(b) hereof.

The Escrow Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the Refunded Obligation, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

SECTION 18. Permitted Acts. The Escrow Agent and its affiliates may become the owner of or may deal in the Refunding Bonds or the Refunded Obligation as fully and with the same rights as if it were not the Escrow Agent.

SECTION 19. Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the Issuer or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreements herein contained shall in no way affect the validity of the remaining provisions of this Agreement.

SECTION 20. Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

SECTION 21. Governing Law. This Agreement shall be construed under the laws of the State of Tennessee.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers and their corporate seals (if applicable) to be hereunto affixed and attested as of the date first above written.

COMMITTEE ACTION

HAWKINS COUNTY, TENNESSEE
Federal Tax Compliance Policies and Procedures

Purpose

In order to issue tax-exempt debt obligations ("Tax-Exempt Obligations"), the interest on which is excluded from gross income of the holders of such debt obligations, Hawkins County, Tennessee (the "County"), must comply with federal tax rules regarding expenditure of proceeds, use of financed property, investment of proceeds in compliance with arbitrage rules, retention of records and filings with the Internal Revenue Service pursuant to Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). This Tax Compliance Policy sets forth the County's policies for compliance with Sections 141-150 of the Code and related rules and regulations.

I. Expenditure of Proceeds

Expenditure of proceeds as set forth below will be reviewed and managed by the Budget Director of the County (the "Director"), as needed to ensure compliance with the requirements with each tax certificate executed in connection with Tax-Exempt Obligations. In connection with such review and management, the Director will undertake the following with respect to the expenditure of proceeds of Tax-Exempt Obligations:

- Establish forms and procedures for documenting expenditures of the proceeds, including for new money issues a description of the property financed with each expenditure and for refunding issues a description of the refunded obligations and the property financed with the refunded obligations.
- Only permit proceeds to be expended for capital expenditures, working capital if accompanied by an opinion of nationally recognized bond counsel, refunding of Tax-Exempt Obligations and other debt obligations used for the foregoing purposes, and costs of issuance of Tax-Exempt Obligations.
- Not permit amounts to be expended to pay capitalized interest on Tax-Exempt Obligations except during the actual construction period of financed property unless accompanied by an opinion of nationally recognized bond counsel.
- Restrict reimbursement of costs that were paid prior to the issuance of the Tax-Exempt Obligations to costs paid subsequent to, or not more than 60 days prior to, the date a "declaration of intent" to reimburse the costs was adopted by the County or as is otherwise approved by bond counsel.
- Prepare a "final allocation" of proceeds to uses, which will be made and retained with the records of the Tax-Exempt Obligations, not later than 18 months after the placed-in-service date of the financed property (and in any event not later than 5 years and 60 days after the issuance of the issue).
- Monitor the expenditure of proceeds of new-money Tax-Exempt Obligations against the tax certificate expectation to (i) spend or commit 5% of net sale proceeds within 6 months, (ii) spend 85% of net sale proceeds within 3 years, and (iii) proceed with due diligence to complete the project and fully spend the net sale proceeds.

- Monitor the expenditure of proceeds of the Tax-Exempt Obligations against the schedule for any arbitrage rebate exception or exceptions identified in the tax certificate related to such issue of Tax-Exempt Obligations.

II. Use of Property Financed with Tax-Exempt Obligations

Use of property financed with Tax-Exempt Obligations, when completed and placed in service, will be reviewed by the Director on at least an annual basis.

The County will not do any of the following with respect to the financed property without prior discussion with bond counsel regarding potential effect of such action on the tax exemption of the Tax-Exempt Obligations that financed or refinanced such property:

- Enter into a management, service or incentive payment contract with any non-governmental person or entity (including the federal government) (a "Non-Governmental Person").
- Enter into a lease with any Non-Governmental Person.
- Sell or otherwise transfer such property to any Non-Governmental Person.
- Grant special legal entitlements with respect to such property to any Non-Governmental Person.

If any action occurs, notwithstanding the foregoing, that causes Tax-Exempt Obligations to become private activity bonds as a result of private use of financed projects and/or private payments for parties utilizing financed projects, the County will promptly consult with bond counsel as to the steps to be taken in order to remediate such change in use in accordance with the regulations under the Code, including the remediation of nonqualified bonds.

III. Investment of Proceeds

Investment of proceeds of Tax-Exempt Obligations in compliance with the arbitrage bond rules and rebate of arbitrage will be supervised by the Director.

All proceeds of each Tax-Exempt Obligation will be deposited and maintained in a separate account or accounts. The investment of the proceeds of Tax-Exempt Obligations shall comply with the following:

- Investments will be purchased only in market transactions at fair market value.
- Calculations of rebate liability will be performed periodically as set forth in the tax certificate by outside consultants unless the County is eligible for an exception to rebate liability with respect to the Tax-Exempt Obligations.
- Rebate payments, if required, will be made with a Form 8038-T no later than 60 days after (a) each fifth anniversary of the date of issuance and (b) the final retirement of the Tax-Exempt Obligations. Compliance with rebate requirements will be reported to the bond trustee, if any.

- The County will identify the date for the first rebate payment at the time of issuance if rebate payments are expected.

IV. Records

Management and retention of records related to Tax-Exempt Obligations will be supervised by the Director.

- Records will be retained for the life of the Tax-Exempt Obligations plus any refunding bonds plus three years. Records may be in the form of documents or electronic copies of documents, appropriately indexed to specific bond issues and compliance functions.
- Retainable records pertaining to the issuance of Tax-Exempt Obligations include the transcript of documents executed in connection with the issuance of the Tax-Exempt Obligations and any amendments, and copies of rebate calculations and records of payments including Form 8038-T.
- Retainable records pertaining to expenditures of proceeds of Tax-Exempt Obligations include requisitions, trustee statements (if any) and final allocation of proceeds.
- Retainable records pertaining to use of property include all agreements reviewed for nonexempt use and any reviewed documents relating to unrelated business activity.
- Retainable records pertaining to investments include guaranteed investment contract and hedge documents under the Treasury regulations, records of purchase and sale of other investments, and records of investment activity sufficient to permit calculation of arbitrage rebate or demonstration that no rebate is due.

V. Miscellaneous Post-Issuance Changes

The Director will consult with bond counsel prior to engaging in any post-issuance credit enhancement transactions (*e.g.*, letter of credit or bond insurance) or hedging transactions (*e.g.*, interest rate swaps).

The Director will consult with bond counsel prior to the making of any significant modifications to the bond documents that might cause a “reissuance” of the Tax-Exempt Obligations as described in Section 1.1001-3 of the Treasury regulations such as (i) changes in the yield of a Tax-Exempt Obligation, (ii) changes in the timing of payments on a Tax-Exempt Obligation or (iii) changes in the obligor of or security for a Tax-Exempt Obligation.

VI. Overall Responsibility

Overall administration and coordination of this policy is the responsibility of the Director. The Director shall be responsible for identifying any violations of federal tax requirements relating to any Tax-Exempt Obligations and shall consult with bond counsel as to the best method for the timely correction of any identified violations either through available remedial actions or through the IRS's Voluntary Closing Agreement Program. The Director shall be responsible for obtaining and providing for the training and education necessary to administer these policies and procedures.
