Title III:	Funds are needed in instructional supplies & materials to purchase supplies for individual student

First to the Top:	An instructional coach resigned mid-year to take another position out of state. The position was

	allotment is being moved to instructional supplies to purchase Response to Intervention (RTI)					
	materials for the schools. (RTI is a state-mandated program). Additionally, medical insurance					
	has to be slightly increased to cover the last 3 months of this fiscal year. Staff-development costs					
	were less than projected, and the remaining funds are also being moved to instructional supplies					
	for the RTI materials.
