SECTION I

CLASSIFICATION AND COMPENSATION PLANS

1.0 CLASSIFICATION PLAN

<u>Purpose</u> - The classification plan shall provide a complete inventory of all authorized positions and an accurate description of each classification. Each classification is indicative of a specific range of duties and responsibilities and has the same meaning throughout all county government offices.

<u>Authority</u> - The Hawkins County Personnel Committee is responsible for developing, maintaining and monitoring the classification plan.

Composition of the Plan - The classification plan shall consist of:

- Class titles Class titles used shall be descriptive of the nature of each class.

 Class titles are to be used on all official county government records.

 However, other titles may be used as working titles in the course of departmental routine to indicate authority, status in the department or administrative rank.
- Class Specifications Written specifications for each class of positions shall be maintained. The specifications are meant to be descriptive of the kind of work performed and not necessarily inclusive of all duties performed. Specifications are to be interpreted in their entirety and in relation to others in the classification plan. Particular examples or phrases are not to be isolated and treated as a full definition of the class.
- Salary Grade A grouping of all classifications which are basically equal when evaluated with regard to the nature of work and knowledge and ability requirements, supervision exercised and scope of responsibility, scope and effect of decisions and actions, problem solving and complexity, nature, and extent of guidelines, application of authority, purpose and nature of work contacts, and physical or sensory demands or hazards.

Maintenance of the Classification Plan - The Hawkins County Personnel Committee, under the direction of the Hawkins County Commission, is charged with the maintenance of the classification plan. Maintenance shall include, but not be limited to, periodic review and revision of classification specifications and classification listing. The Hawkins County Personnel Committee shall recommend to Hawkins County Commission appropriate and necessary amendments to the classification plan based on these reviews.

New Classifications - When the Hawkins County Personnel Committee determines that a new classification must be added, the Classification Plan shall be revised and submitted to the Hawkins County Commission for approval.

Revision of Existing Classifications - The Hawkins County Personnel Committee shall periodically review the entire plan and recommend revisions to class descriptions to reflect gradual changes in the duties and responsibilities of existing classes over a period of time.

Abolition of Classifications - The Hawkins County Personnel Committee shall recommend the abolition of classes that are no longer required in the plan.

Review of Employee Requisitions - All Employee Requisitions submitted by Department Heads or Elected Officials shall be reviewed by the Hawkins County Personnel Committee to verify that the duties and responsibilities ascribed to the position(s) to be filled are assigned to the proper classification. Approval of such requisitions by the Hawkins County Personnel Committee shall constitute an assignment of the positions to the indicated class. If the requested classification on an Employee Requisition is not appropriate for the duties and responsibilities of the position, the Hawkins County Personnel Committee shall make a recommendation regarding a more appropriate classification assignment. The Hawkins County Personnel Committee shall verify that the requested positions have been approved in the current budget. Unbudgeted positions must be approved by the Hawkins County Commission prior to them being filled.

Creation of New Positions - When a new position is to be created, the Dept. Head/Elected Official shall submit written documentation that includes: Position Title, Position Description, Position Job Duties and requested Grade classification to the Hawkins County Personnel Committee. The Hawkins County Personnel Committee in conjunction with Organizational Management shall conduct a thorough job analysis to document the nature of the new position. The position may be assigned to an existing classification. If the position does not match an existing classification, then a new classification must be created. A classification specification shall be written for each new classification. In addition, the Hawkins County Personnel Committee shall recommend to the Hawkins County Commission the addition of the new classification to the Pay Plan and allocation to the appropriate skill level.

Reclassification of a Position - It is the intent of this policy to provide guidelines for monitoring the reclassification of an employee to insure that merit systems principles are not circumvented. The basis for a reclassification must be a gradual accretion of duties and not a sudden change occasioned by a re-organization or the assignment of completely new duties and responsibilities. The process of placing an employee in an acting capacity in any position does not constitute a gradual accretion of duties. A reclassification request may be initiated by an elected official or department head.

The Hawkins County Personnel Committee in conjunction with Organizational Management shall conduct a thorough analysis of the position. The analysis may include, but shall not be limited to, reviewing current class information, analyzing the

completed Position Description Questionnaire, conducting a job observation, discussing the class with supervisors, and comparing this position with other positions in the class. The Hawkins County Personnel Committee shall recommend an appropriate classification based on the results of this analysis.

2.0 PAY PLAN

<u>Purpose</u> - The basic purpose of a pay plan is to enable an organization to recruit and retain competent employees. Major goals of the Pay Plan are as follows:

- Provide compensation that is internally equitable;
- Provide compensation that is consistent with pay in the surrounding market area; allow for flexibility and adjustments in response to changing economic and employment conditions in the local job market.

<u>Authority</u> - The Hawkins County Personnel Committee is responsible for developing, maintaining, and monitoring the Pay Plan.

Composition of the Pay Plan - The Pay Plan consists of a system of twelve (12) salary grades and a recommended pay range for each classification. There is a 50% spread between the minimum and maximum of each range with an established mid-point. There is a vertical spread of 10% between salary grades 1-7, 15% between salary grades 7-10 and 10% between salary grades 10-12.

Maintenance of the Pay Plan - The Hawkins County Personnel Committee shall monitor factors that are relevant to sound compensation practices such as changes in cost of living, labor market conditions, recruitment problems, turnover experience and related factors. In addition, a salary and/or benefits survey shall be conducted periodically (at least every four to six years) to ensure the pay plan remains competitive. The Hawkins County Personnel Committee shall recommend to the Hawkins County Commission any revisions in the Pay Plan which are necessary and appropriate in view of the factors discussed above.

Administration of the Pay Plan - Salary ranges are intended to furnish administrative flexibility in recognizing individual differences among positions allocated to the same class, in providing incentive, and in rewarding employees for meritorious service. The following provisions shall govern the granting of within-range pay increase for employees:

Starting Rate of Pay - The minimum compensation of the pay range for each classification shall be the normal entry rate of pay. When unusual circumstances warrant, an employee may be offered a rate higher than entry level. Situations that may justify hiring above entry-level may include the following: appointment of an applicant whose qualifications greatly exceed minimum requirements for the position, a shortage of qualified applicants available at the minimum entry rate, or the most qualified applicants have declined employment at the entry rate. Hiring above the minimum entry rate up to first quartile of the salary range shall be justified in writing by the hiring

supervisor and approved by the Hawkins County Personnel Committee. Hiring rates above the first quartile shall be justified in writing by the hiring supervisor and must be approved by the Hawkins County Personnel Committee.

Maximum Rate of Pay - An employee's rate of pay must be within the salary range for his/her classification. No employee shall receive a pay increase that exceeds the maximum rate of pay established for the class he/she occupies.

Annual Cost-of-Living Increase - An annual increase may be granted to all regular, full-time employees based on changes in the cost of living. When it is determined that the cost of living has increased in any one year, an across the board increase may be given. Employees at the maximum of their salary range will be given a one-time lump-sum bonus equal to the percentage increase. All cost of living increases are subject to the Hawkins County Commission's approval and the availability of funds.

SECTION 2. BE IT FURTHER RESOLVED, that there are also hereby appropriated certain portions of the commissions and fees for collecting taxes and licenses and for administering other funds which the Trustee, County Clerk, Circuit Court Clerk, Clerk and Master, Register and the Sheriff and their officially authorized deputies and assistants may severally be entitled to receive under State laws heretofore or hereafter enacted. Expenditures out of commissions, and/or fees collected by the Trustee, County Clerk, Circuit Court Clerk, Clerk and Master, Register and the Sheriff may be made for such purposes and in such amounts as may be authorized by existing law or by valid order of any court having power to make such appropriations. Any excess commissions and/or fees collected over and above the expenditures duly and conclusively authorized shall be paid over to the Trustee and converted into the General Fund as provided by law.

SECTION 3. BE IT FURTHER RESOLVED, that if any fee officials, as enumerated in Section 8-22-101, T. C. A., operate under provisions of Section 8-22-104, T.C.A., provisions of the preceding paragraph shall not apply to those particular officials.

SECTION 4. BE IT FURTHER RESOLVED, that any amendment to the budget, except for amendments to the budget for funds under the supervision of the director of schools, shall be approved as provided for in Section 5-9-407, T.C.A. The director of schools must receive approval of the Board of Education for transfers within each major category of the budget and approval of both the Board of Education and the Board of County Commissioners for transfers between major categories as required by law.

One copy of each amendment shall be filed with the County Clerk, one copy with the Chairman of the Budget Committee, and one copy with each divisional or departmental head concerned. The reason(s) for each transfer shall be clearly stated; however, this section shall in no case whatsoever be construed as authorizing transfers from one fund to another, but shall apply solely to transfers within a certain fund.

SECTION 5. BE IT FURTHER RESOLVED, that any appropriations made by this resolution which cover the same purpose for which a specific appropriation is made by statute, is made in lieu of but not in addition to said statutory appropriation. The salary, wages, or remuneration of each officer, employee, or agent of the County shall not be in excess of the amounts authorized by existing law or as set forth in the estimate of expenditures which accompanies this resolution. Provided, however, that appropriations for such salaries, wages, or other remuneration hereby authorized shall in no case be construed as permitting expenditures for an office, agency, institution, division or department of the County in excess of the appropriation made herein for such office, agency, institution, division or department of the County. Such appropriation shall constitute the limit to the expenditures of any office, agency, institution, division or department for the year ending June 30, 2015. The aggregate expenditures for any item of appropriation shall in no instance be more than the amount herein appropriated for such item.

SECTION 6. BE IT FURTHER RESOLVED, that any resolution which may hereafter be presented to the Board of County Commissioners providing for appropriations in addition to those made by this Budget Appropriation Resolution shall specifically provide sufficient revenue or other funds, actually to be provided during the year in which the expenditure is to be made, to meet such additional appropriation. Said appropriating resolution shall be submitted to and approved by the State Director of Local Finance after its adoption as provided by Section 9-21-403, Tennessee Code Annotated.

SECTION 7. BE IT FURTHER RESOLVED, that the budget for the School Federal Projects Fund shall be the line-item budget approved for separate projects within the fund by the Hawkins County Board of Education and the Hawkins County Board of Commissioners.

SECTION 8. BE IT FURTHER RESOLVED, that the County Mayor and County Clerk are hereby authorized to borrow money on revenue anticipation notes, provided such notes are first approved by the Director of State and Local Finance, to pay for the expenses herein authorized until the taxes and other revenue for the year 2014 – 2015 have been collected. The proceeds of loans for each individual fund shall not exceed 60% of the appropriations of each individual fund and shall be used only to pay the expenses and other requirements of the fund for which the loan is made. The loan shall be paid out of revenue from the fund for which money is borrowed. The notes evidencing the loans authorized under this section shall be issued under the applicable sections of Title 9, Chapter 21,Tennessee Code Annotated. Said notes shall be signed by the County Mayor and countersigned by the County Clerk and shall mature and be paid in full without renewal not later than June 30, 2015.

SECTION 9. BE IT FURTHER RESOLVED, that the delinquent County property taxes for the year 2013 and prior years and the interest and penalty thereon collected during the year ending June 30, 2015 shall be apportioned to the various County funds according to the subdivision of the tax levy for the year 2013. The Clerk & Master and the Trustee are hereby authorized and directed to make such apportionment accordingly.

SECTION 10. BE IT FURTHER RESOLVED, that in order to comply with Governmental Accounting Standards Board Statement 54 as issued by the Governmental Accounting Standards Board (GASB), and that the State of Tennessee Comptroller's Office has determined that this new accounting statement is considered Generally Accepted Accounting Principles (GAAP) applicable to county governments, Hawkins County has designated Local Option Sales Tax, Business Tax, TV Cable Franchise License and Alcohol Beverage Tax revenues to fund the operations of the Solid Waste/Sanitation Fund. Prior to GASB Statement 54, the Solid Waste/Sanitation Fund was funded through operating transfers from the General Fund.

SECTION 11. BE IT FURTHER RESOLVED, that in order to comply with IRS regulations for a "bona fide debt service fund" regarding the 2010 Qualified School Construction Bond issue as advised by the bond counsel for the Tennessee State School Bond Authority, the subsidy that Hawkins County receives semi-annually from the IRS on such bond issue shall be deposited into the Hawkins County General Fund. Transfers equal to each month's interest payment will be made from the General Fund to the Education Debt Service fund only at such time as, or near, the interest payment due date. Any unused balance of subsidy funds on any June 30 shall be reserved for future interest payment transfers.

SECTION 12. BE IT FURTHER RESOLVED, that, beginning with the 2011-2012 Fiscal Year and for subsequent years unless changed by County Commission, the 1989 Gasoline Tax will no longer be transferred from the Highway Fund to the Special (Highway) Debt Service Fund to help retire outstanding debt. The portion of the Wheel Tax collections is sufficient at this time to retire current outstanding debt.

SECTION 13. BE IT FURTHER RESOLVED, that all unencumbered balances of appropriations remaining at the end of the year shall lapse, and be of no further effect at the end of the year at June 30, 2015, including any remaining contribution funding for area agencies and organizations that has not been requested by letter or invoice to the County Mayor's Office.

SECTION 14. BE IT FURTHER RESOLVED, that any resolution or part of a resolution which has heretofore been passed by the Board of County Commissioners which is in conflict with any provision in this resolution be and the same is hereby repealed.
