RESOLUTION

No. 2019103102

To the HONORABLE Michael Herrell, Chairman, and Members of the Hawkins County Board of Commission in Regular Session, met this 25th day of March 2019.

RESOLUTION IN REFERENCE: IMPLEMENTATION OF A MINIMUM 60-DAY WAITING PERIOD BEFORE A COUNTY EMPLOYEE IS ELIGIBLE FOR HEALTH INSURANCE COVERAGE

WHEREAS, a significant turnover rate in county-paid positions within the first 60 days of employment is being observed, and

WHEREAS, currently the county's health insurance program takes effect the first day of the month following the employment date and frequently the employee uses the health insurance benefits immediately and prior to it becoming effective, and

WHEREAS, the employee-paid share of the cost is not deducted until the first pay period the insurance becomes effective, and

WHEREAS, if the employee has received their insurance card and used the insurance and resigns prior to paying his or her portion of the cost of insurance, the county is liable for payment of the employee's portion as well as the county's portion and incurs other miscommunications and paperwork, and

WHEREAS, section 2708 of the Public Health Service Act, as added by the Patient Protection and Affordable Care Act allows for a maximum 90-day Waiting Period for Health Care Coverage, now

THEREFORE, BE IT RESOLVED, that if an employee is hired on the first day of the month, insurance would become effective on the first day of the month following 60 days of employment. For example, if the hire date is May 1, the effective date for insurance would be July 1. If an employee is hired on any day after the first day of the month, the effective day would be the first day of the month following 60 days employment. Essentially, if an employee hire date is other than the first day of the month, the waiting period would be more than 60 days but less than 90 days. For example, if the hire date is May 15, the effective date for insurance would be August 1. In this example, 60 days after hire date would occur in the middle of July, but coverage must begin on the first day of the month.

BE IT FURTHER RESOLVED, that employees hired prior to the adoption of this resolution will fall under the old effective date the first of the month following date of hire.
